You can also call 311 where a Contact Centre employee can help walk residents through the sign-up procedure.</p>	

Special Conditions:	<p>There is no age restriction on who can be registered, and homes with multiple vulnerable residents can register everyone at the same time.</p> <p>We ask for an emergency contact to be provided during the registration process. To ensure the information is the most current, we ask that the registry be updated on at least an annual basis if conditions change.</p>
