

Greetings from Windsor!

On behalf of the International Relations Committee and Windsor–Essex Regional Chamber of Commerce we are writing to share information about an initiative that would provide support to local businesses in our sister cities looking to expand their markets.

The Windsor-Essex Regional Chamber of Commerce represents over 700 members from various industry sectors including: manufacturing, agriculture, transportation, finance and education among others. For over 143 years the Chamber has been the voice of business in Windsor-Essex promoting the needs of their members to all levels of government.

As you know, the Windsor-Essex region is comprised of agricultural resources and innovation as well as a wide variety of technological industries from car manufacturers to second and third tier suppliers as Windsor is Canada's automotive capital. We have two major educational institutions, the University of Windsor and St. Clair College. We also have a Marine Port and are well situated across the river from Detroit, Michigan with a new International Bridge currently being constructed to ease the flow of transported goods across this international boundary.

Our tourism industry is supported by 17 local wineries, Point Pelee National Park and a waterfront expanse which surrounds the region on three sides. The City of Windsor offers world-class gaming at Caesars Windsor, as well as world-class entertainment, fascinating historical and artistic landmarks, culturally diverse cuisine, and unparalleled waterfront parks and gardens.

The purpose of this letter is to share an interest in exploring opportunities to conduct business in our mutual regions and to propose an arrangement that allows our Chamber of Commerce to extend its membership benefits to members of our sister cities at no cost. Benefits could include an invitation to businesses wanting to expand their business in our region to come and visit Windsor-Essex, access to the WindsorEssex Economic Development Corporation and local businesses, assistance with Government programs and more.

We look forward to hearing from you regarding this exciting initiative that further strengthens the economic, social and cultural bonds between our two great cities.

Kind Regards,

Fred Francis, Chair  
International Relations Committee  
City of Windsor

# THE CITY OF WINDSOR

OFFICE OF THE MAYOR

DREW DILKENS, DBA  
MAYOR

February 2020

Tsuneo Suzuki  
Mayor of the City of Fujisawa, Japan  
Mayor's Office, Fujisawa City Hall  
1-1 Asahi-Cho, Fujisawa  
Kanagawa, Japan, 251-8601

Dear Mayor Tsuneo Suzuki:

From your Sister City of Windsor, Ontario, Canada, our City Council and International Relations Committee, and on behalf of all our residents: congratulations on your recent re-election as Mayor of Fujisawa.

I know that you attach great importance to Fujisawa's foreign exchange work. Windsor has enjoyed a strong Sister City relationship with Fujisawa since 1987. That year, our two communities pledged eternal friendship, with wishes of prosperity and mutual exchanges of education, culture, tourism and other programs. This commitment was made to contribute to a better understanding between the people of Canada and Japan to achieve world peace and prosperity.

In 2017, we celebrated the 30<sup>th</sup> anniversary of our Sister City relationship. That was also our ninth year of welcoming exchange students from Fujisawa's Misono School. It was an honour to have you and your delegation visit us to celebrate, and we were grateful to receive a Cherry Blossom tree – representing the unofficial national flower of Japan – as a wonderful gift of friendship. Most recently, in 2019, we proudly displayed artwork from Fujisawa youth in the main reception area of Windsor City Hall – providing our residents with a glimpse into Fujisawa as illustrated by the vibrant works of art from your young citizens. With many Japanese residents and organizations in Windsor, we welcome every opportunity to share new, important cultural exchanges and experiences with you. Such visits and initiatives help us share our stories with one another.

I know that under your continued leadership, we will strengthen the bond between Fujisawa and Windsor. Thank you for your partnership. It is my hope that Windsor will celebrate many more Fujisawa-shi to no naganen no yūjō.

Sincerely,

Drew Dilkens
