Your Committee submits the following recommendation:

Moved by D. Clevett, seconded by T. Stomp,

WHEREAS the ridership in Windsor has increased by 4% this year; and

WHEREAS numerous developments downtown support an increase in service from outlying areas to the downtown, including the new Aquatic Centre and the University of Windsor campuses as well as the St. Clair College campuses; and

WHEREAS a decrease in service will result in decreased ridership and will have lasting effects on residents' consideration to take transit; and

WHEREAS implementing an increase in user fees can deter transit ridership;

THEREFORE BE IT RESOLVED that City Council exempt Transit Windsor from the 10% budget cut proposal allowing Transit Windsor to maintain their 2012 budget and further, allow Transit Windsor's budget to increase in order to provide increased preventative maintenance and transit services to Windsor residents.

Carried.
