THE CORPORATION OF THE CITY OF WINDSOR

ANNUAL FINANCIAL REPORT

FOR THE YEAR ENDED DECEMBER 31, 1993

Windsor, Ontario, Canada

Prepared by the Finance Department

Recycled Paper

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Canadian Award for Financial Reporting to the Corporation of the City of Windsor for its annual financial report for the fiscal year ended December 31, 1992. The Canadian Award for Financial Reporting program was established to encourage municipal governments throughout Canada to publish high quality financial reports and to provide peer recognition and technical guidance for officials preparing these reports.

In order to be awarded a Canadian Award for Financial Reporting, a government unit must publish an easily readable and efficiently organized annual financial report, whose contents conform to program standards. Such reports should go beyond the minimum requirements of generally accepted accounting principles and demonstrate an effort to clearly communicate the municipal government's financial picture, enhance an understanding of financial reporting by municipal governments, and address user needs.

A Canadian Award for Financial Reporting is valid for a period of one year only. We believe our current report continues to conform to the Canadian Award for Financial Reporting program requirements, and we are submitting it to GFOA.

Canadian Award for Financial Reporting

Presented to

City of Windsor,
Ontario

For its Annual
Financial Report
for the Year Ended
December 31, 1992

A Canadian Award for Financial Reporting
is presented by the Government Finance Officers
Association of the United States and Canada
to municipalities whose annual financial reports
achieve the high program standards for Canadian
Government accounting and financial reporting.

*His Worship Mayor Michael Hurst
and Members of Council of the
City of Windsor*

Your Worship and Members of Council:

It is my pleasure to submit the City of Windsor's 1993 Annual Financial Report, in accordance with the legislative authority in Sections 11 and 83 of the Municipal Act pertaining to incorporation and reporting requirements respectively, and to comment on the fiscal year, as well as to review the City's overall financial position.

The purpose of this report is to provide statistical, financial and other relevant information about the City of Windsor to enable readers to familiarize themselves with our City and the City's finances.

The enclosed financial information is presented on a consolidated basis. I draw your attention to Note 1 of the Notes to the Consolidated Financial Statements; this note, among other things, identifies the consolidated entities. In addition to the fourteen municipal departments, the Consolidated Financial Statements also reflect the finances of a number of other municipal entities. These include the operations of Transit Windsor, Roseland Golf and Curling Club, The Windsor Tunnel, The Windsor Public Library, and the Business Improvement Areas.

These municipal entities report directly to their respective boards which have Council representation.

The preparation and presentation of the financial statements, statistics and other financial information contained in this annual report are the responsibility of the management of the City of Windsor. The City maintains a system of internal controls, including an internal audit function, designed to safeguard assets and ensure the timeliness, completeness and accuracy of the financial records. While all systems of internal control have inherent limitations, I believe that our system achieves the above noted goals efficiently and effectively.

Council appointed the national accounting firm of Ernst & Young to perform an independent audit of the City's 1993 financial statement and a copy of their reports are included herein. Council has also appointed an audit committee. The main function of the audit committee is to review both the external and internal auditors' audit plans as well as to review the financial statements of the Corporation and to ensure that corrective action is taken for any control weaknesses identified by the auditors.

In 1993, the City of Windsor continued to face difficult fiscal challenges: the Provincially-imposed Social Contract and Expenditure Control Plan; continued reductions in Provincial unconditional grants; substantial increases in insurance costs; continued growth in general welfare assistance payments; and Council Policy requiring mill rate increases at 1% below the 1992 rate of inflation.

This was the financial environment which confronted us as the 1993 budget process began in the fall of 1992. This early consideration of the annual budget reduces the period in which departments are operating on the basis of the prior year's budget. This is extremely important during periods of restraint since it will allow any reductions in expenditures or additions in revenues to be spread over a greater period of time. In the fall of 1992 Administration through the City Administrator presented it's recommended budget to Council. After several weeks of Council deliberations, a final budget was approved. This budget struck a balance between the need to minimize the mill rate increase with the need to maintain service levels. In addition, Council was able to proceed with a number of projects in the City's Long Range Capital Plan by taking full advantage of available subsidies from senior levels of government, thereby leveraging available City funds to the fullest extent. I believe that the City was able to successfully overcome the above noted challenges due in large part to the sound financial policies adopted by Council in recent years.

The Debt Reduction policy, established by council in 1984, has significantly reduced our net outstanding long term debt from a high of \$106 million in 1983, to \$51.7 million in 1993, with a projected debt for the year 2000 of \$26 million. Yet, the City has, during this same period successfully funded a substantial increase in the Capital Works Program including such major projects as the expansion of the Cleary International Centre, the Little

River Pollution Control Facility, Huron Church Road and the E. C. Row Expressway. A substantial portion of the financing for these projects has been made available from savings in annual debt repayments.

City Council's Fiscal Fitness policy, which was adopted in 1990, continued to prove challenging during the 1993 budget deliberations. A key provision of the policy is that the overall mill rate increase in 1991 and future years be kept to a minimum, but in any case not to exceed a rate of 1% below the rate of inflation of the prior year. The 1992 increase in the rate of inflation was 1.5%. City Council successfully met their self imposed mandate again in 1993, approving a 1993 budget requiring a mill rate increase of .5%.

Furthermore, in order to help meet future uncertainties, City Council established in 1991 a Mill Rate Stabilization Reserve Fund. The policy with respect to this reserve fund directs that any surplus funds from winter control operations and/or general welfare direct assistance costs be transferred annually to this reserve fund, except where such a transfer would cause an overall City deficit, as was the case in 1993.

Some of the financial highlights of the 1993 fiscal year were: a negligible consolidated operating deficit of \$208,000; an \$18,000 City of Windsor operating surplus notwithstanding the \$7 million reduction imposed by the Provincial Government; a reduction in taxes receivable from \$26.3 million to \$24.6 million; an increase in operating expenditures from \$272.8 million to \$282.1 million as well as an increase in net municipal operating fund revenues from \$300.8 million to \$315 million; more specifically, a 4% increase in residential and farm taxation to \$147.7 million, a 7.1% increase in user charges and a 14.6% increase in revenues from land sales and an increase in capital expenditures from \$51.4 million to \$66.5 million representing a 24.9% increase.

We look forward to continued opportunities in the coming years. The Canadian Bond Rating Service has indicated that the City of Windsor could be one of the best performing Canadian municipalities in 1994. We also foresee a very optimistic future for the City, with the recent upturn in the economy, significant capital investment in the automotive industry and the openings of the interim and permanent casinos.

More specifically, there has been a substantial investment in advanced technologies by the Big Three automakers and their suppliers. This includes an investment by Ford's in excess of \$1 billion at its #2 Engine Plant and Chrysler's \$600 million investment in order to produce a third generation minivan at its Chrysler Centre Plant. This latter plant will be able to produce both standard and stretch models of the minivan. A \$600 million retooling is also underway at the GM

Transmission plant. These investments, together with the Canadian Automobile Workers' successful job creation strategy augur well for the entire auto sector. For example, according to the Manager of Operations for Windsor's Canada Employment Centre, Chrysler's addition of a third shift has necessitated the hiring of 600-1,000 production and skilled trade workers. The Ford expansion will result in the employment of an additional 1,200 workers over the next 2 years.

Finally, the interim casino which opened in May 1994 has employed about 1,700 people. When the permanent casino is opened in two years we expect those employed in the casino complex, plus all those employees required to produce and supply the goods and services purchased by the casino, will create an estimated 7,500 jobs. The total direct and indirect employment resulting from the casino is estimated to be 12,000 people.

The Mayor and members of Council are charged with the general stewardship of the Corporation of the City of Windsor.

In our system of local government, the Mayor and ten Councillors provide the legislative and policy setting functions. Elections take place every three years with the new Mayor and Council taking office as of December first. The Mayor is elected based on a majority vote city wide; two Councillors are elected to represent each of the five City wards.

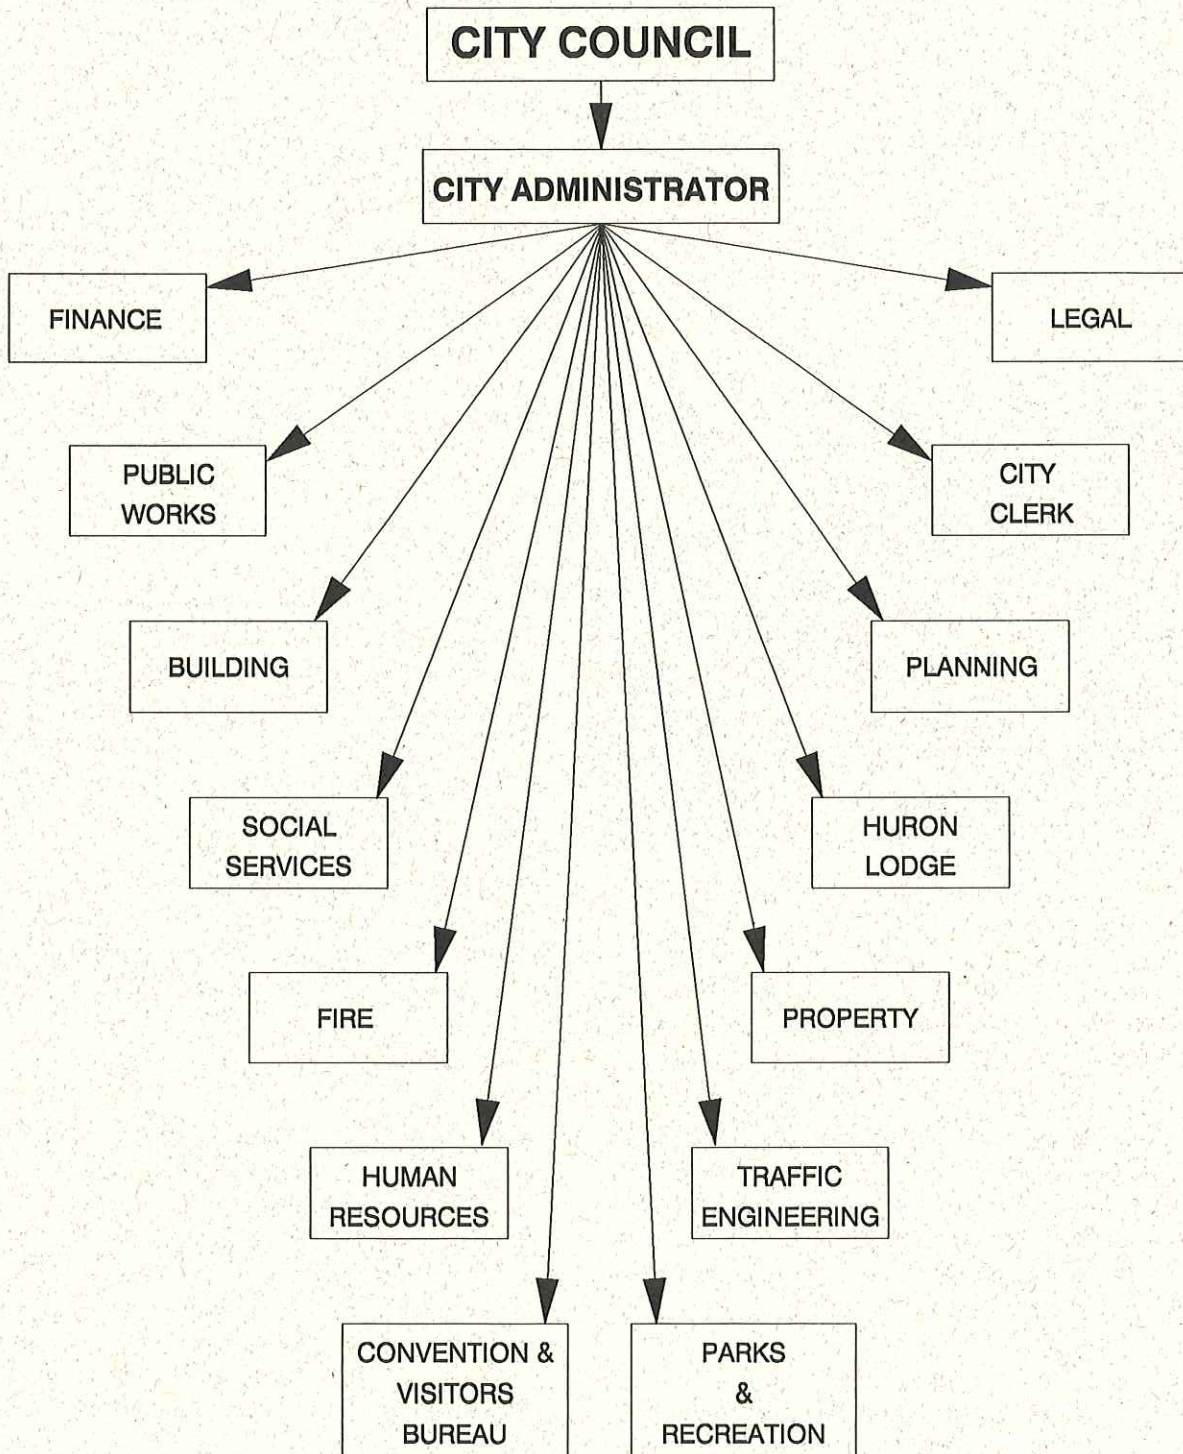

CITY ADMINISTRATOR

HILARY G. PAYNE

The City Administrator, as the Chief Administrative Officer of the Corporation, is responsible to Council for managing the City's affairs.

CITY OF WINDSOR

ORGANIZATIONAL STRUCTURE

CITY OF WINDSOR, AT A GLANCE

Location

Windsor is strategically located at the crossroads of two nations, across the river from Detroit, and is one of the busiest and most important Canada-United States gateways. Indeed, one-third of all Canada-U.S. trade moves through the Windsor-Detroit gateway. More specifically, Windsor is in southwestern Ontario at the tip of the peninsula formed by Lake St. Clair, the Detroit River and Lake Erie.

Windsor is Canada's southernmost city and enjoys a mild climate with only minimal snowfalls. The surrounding Essex County area is one of the country's richest and most diversified agricultural districts. Farm output in Essex County exceeds that of any of the four Atlantic provinces. Major crops include corn, soybeans, wheat and a variety of fruits and vegetables. The area also supports the largest concentration of greenhouse products, outside of California.

The City is easy to reach thanks to Windsor's excellent transportation connections. Windsor

is well served by road, rail, air and water. It is the western terminus of the MacDonal Cartier Freeway (Highway 401) and three other provincial highways. With motor vehicle bridge and tunnel access to Detroit, Windsor is also plugged into the U.S. interstate highway system. Windsor is served by five major railways: Canadian National, Canadian Pacific, Norfolk and Western, CSX and Essex Terminal. Windsor airport, with an 8,000 foot main runway is served by Canadian Partner, Air Ontario, and Skycraft scheduled flights and several additional airlines on a chartered basis. The Port of Windsor is on the Great Lakes/St. Lawrence Seaway System and has deepwater wharfage, bulk cargo and container handling facilities.

Description

Statistically, Windsor is a city of approximately 200,000 people. It has a land area of 31,584 acres of which one-third is available for future urban development. Windsor is Canada's fifth largest industrial city with manufacturing output exceeding cities such as Calgary, Ottawa and London. The City is also an important metropolitan centre with excellent retail and financial outlets, numerous health care and recreational facilities and post secondary educational institutions including a university and a community college.

Lifestyles

The Windsor area has become a cultural mosaic with some 93 ethnic groups carrying on the tradition of their native lands. The Carrousel of Nations features a 10-day Multi-Cultural festival which is a celebration of foreign nations. The ever popular Caribefest, Grapefest and Oktoberfest, all have become symbols of our community's diverse cultural background as well as major tourist attractions.

Windsor and surrounding Essex County is bustling with county fairs and festivals, botanical gardens and bird sanctuaries, internationally famous wineries, a comprehensive selection of ethnic and Canadian restaurants, impressive collections and exhibits at the Art Gallery of Windsor, the Windsor Symphony, Windsor Light Opera and world class performances at the new Cleary International Centre. For added excitement there's harness racing at Windsor Raceway, one of North America's premiere tracks, as well as major professional sports and cultural facilities within close proximity.

Economic History

Windsor has been a manufacturing centre for more than a century. The early industries - distilling, sugar refining and tobacco processing were based on local farm products. The economy began to diversify with the coming of the railway in the mid-1800's and

the first foundry and varnish manufacturers were both in operation before 1880. Salt mining began in 1893 and motor vehicles were first manufactured here in 1904.

The next twenty-five years was a time of rapid industrial expansion in Windsor. The fledgling automotive industry grew quickly and many other U.S. industrial companies selected the Border Cities as their first foreign plant location. Windsor became a pharmaceutical production centre and, with the advent of Prohibition in the United States, alcoholic beverage production expanded substantially.

Windsor experienced the difficulties of the 1930's along with most of the rest of the world. But with the outbreak of World War II, the City's automotive and metal working industry mobilized quickly as a major producer of war materials for the Allies. After the war, Windsor's plants reverted to peacetime production at record levels. The rapid industrialization of the Toronto-Montreal corridor in the 1950's was somewhat at Windsor's expense as older, depreciated plants were abandoned for new locations close to or between Canada's two major market centres. This period was more than offset by the substantial growth that took place in Windsor in the 1960's partly, as a result of the Canada-United States Automotive Products Agreement. The Auto Pact, as it is known, provides for limited free trade in new motor vehicles and parts and enables companies to rationalize their production on a continent-wide basis.

Windsor entered the 1970's with its reputation established as the Automotive Capital of Canada. Ford, Chrysler and General Motors are all represented with plants in the City and contribute substantially to the City's tax base and employment. Many of the plants established during the past two decades have been a direct result of the need to supply the automotive industry in Canada and the United States with parts, tools and other related products and services.

CITY OF WINDSOR
MAJOR EMPLOYERS APPROX. # OF WORKERS

1. CHRYSLER CANADA	8,131
2. FORD MOTOR COMPANY	4,379
3. GENERAL MOTORS OF CANADA	4,031
4. CITY OF WINDSOR (INCL. WINDSOR POLICE=548)	2,262
5. WINDSOR BOARD OF EDUCATION	2,239
6. UNIVERSITY OF WINDSOR	1,891
7. ESSEX COUNTY BOARD OF EDUCATION	1,672
8. WINDSOR SEPARATE SCHOOL BOARD	1,500
9. ST. CLAIR COLLEGE	1,467
10. WINDSOR WESTERN HOSPITAL	1,365

Windsor carried its reputation as the automotive capital of Canada into the 1980's and continued to enhance its position late in the decade by attracting a significant number of advanced technology companies both in the metal working and plastics sectors. Metallic core technology, compression and blowmolding plants are among the most recent innovations in plastics to complement Ford's "Unique in the World" casting techniques. In all, Chrysler, Ford and General Motors operate 11 major plants in Windsor.

As the importance of Windsor's location and market access has become more apparent, direct and foreign investment has diversified the local industrial base. Windsor is fast becoming an important centre for plastics, robotics and design engineering.

Windsor's economic diversification has continued into the 1990's with D.N.N.'s construction of a \$240 million high-tech processing plant, a joint venture between Dofasco Canada, NKK Japan and National Steel of Pittsburg. Ford's new \$200 million Aluminum Plant in Windsor's west end is a state-of-the-art facility to produce cast aluminum engine blocks using a new process researched and developed in Windsor. As well, a \$1 billion expansion by Ford will begin producing a series of all-new engines beginning next year. Windsor will also be the

home of the all-new third generation of Chrysler minivans totalling a \$600 million investment in the City carrying on its 10 years of minivan technology. General Motor's all-new four-speed electronic transmission represents a further investment in Windsor of \$600 million. Windsor will soon boast two multi-million-dollar privately-owned power plants. The plants represent a first in the Province of Ontario. Construction is now proceeding on the \$170 million West Windsor Power Plant owned equally by affiliates of Power Link Corporation of Portland and American Tractabel Corporation. In addition, Transalta Energy Corporation of Calgary plans to build a \$60 million gas-fired generating station in Windsor's east end. The City of Windsor is also on the leading edge of hospital and health-care review. When the review is completed there will be a totally new health-care configuration in the City. In the health-care sector, the Windsor Western Long-Term Care Centre, a 225-bed facility will provide rehabilitation, evaluation and supportive care to residents. The \$40 million facility being constructed in the City's west end will provide specialized care for young adults and for those suffering from Alzheimer's Disease. Windsor's new \$35 million Cleary International Centre has been described as a world-class meeting facility. The Cleary offers meeting space for up to 4,000 delegates and a 69-seat executive conference theatre. There is a 1,200 seat performing arts theatre and indoor access to two major hotels.

The Industries

Two significant characteristics of Windsor's industry throughout its history have been the high degree of utilization of skilled workers and technological innovation. As a result, Windsor is and has been for many years, the most productive of Canada's top twelve manufacturing centres in terms of net output per worker. The future prospects are for sustained and substantial growth as Windsor continues to build on this technological and production base.

Driven to diversity since the mid 1970's, Windsor has led all of Canada into the plastics age. Today over 80 different plastic molding companies produce everything from blow-molded automobile gas tanks to consumer durables. Other key manufacturing in the City include aerospace and aircraft gears, micro processor-controlled cutting machines, electro optical laser measuring equipment, robotic guidance and vision systems, computer automated capsule manufacturing machines,

pharmaceuticals and chemicals.

Twin Cities

Over the years, the following cities have been twinned with Windsor in order to promote social, cultural and economic ties: Coventry, England; Fujisawa, Japan; Granby, Quebec; Las Vueltas, El Salvador; Mannheim, Germany; Ohrid, Macedonia; St. Etienne, France; and Udine, Italy.

CITY OF WINDSOR, ECONOMIC OUTLOOK

ROUNDING OUT A WINNING BALANCE

".....one of the best performing Canadian municipalities in 1994" according to the Canadian Bond Rating Service. This is the optimistic outlook facing Windsor as we move into 1994.

Billions of dollars are pouring into the Windsor-Essex economy for major investments by Chrysler, Ford, GM, commercial and government projects and Canada's premiere Las Vegas style casino and hotel complex.

Some of the anticipated highlights include:

8,000 new jobs, one of Canada's lowest Unemployment Rates

- manufacturing: 1,575 jobs
- interim casino: 1,500 jobs
- permanent casino: 2,500 jobs
- spinoffs: 4,000 jobs
- unemployment is projected to decline to 8% by 1995

8 Million Visitors Annually

- 1994/95 projected casino visitors: 3.2 million
- 1996 projected casino visitors: 4.7 million

\$5 Billion in Manufacturing, Industrial and Commercial Investments

- Automotive re-tooling and new plant construction by Chrysler, Ford and GM: \$3.2 billion
- Industrial plants: \$550 million
- Commercial developments: \$465 million
- Government projects: \$150 million

\$596 Million City Centre Revitalization

- \$375 million waterfront casino and hotel
- \$100 million riverfront development
- \$54 million Provincial Courthouse
- \$40 million arena/multi-use facility
- \$25 million tunnel plaza
- \$12 million interim casino
- \$6 million Capitol Theatre and Arts Centre revitalization

\$280 Million Casino Spinoffs

- for every dollar spent by tourists in the Casino, the Casino and its employees spend 60¢ locally

Other Upcoming Projects

- \$36 million Canada/Ontario Capital Infrastructure Program to improve roads, sewers, twinning of South Windsor Arena, etc.
- \$10 million exhibition and convention centre on Windsor's main international link connecting Ontario's highway 401 with the Ambassador Bridge
- proposed sportsplex at Windsor Raceway
- \$15 million projected 450 berth municipal riverfront marina
- \$20 million Royal Bank Centre

CITY OF WINDSOR
SERVICES PROVIDED BY CITY DEPARTMENTS

MAYOR'S OFFICE

Mayor - Michael Hurst

The Mayor is the Head of Council and the Chief Executive Officer (CEO) of the Corporation of the City of Windsor.

As Head of Council he presides over all meetings of Council. The Mayor ensures that the laws governing the municipality are properly executed and obeyed.

The Mayor has primary responsibility for seeing that the policies of the Municipality are implemented and works closely with Council to ensure that this occurs.

As CEO the Mayor has responsibility for all actions taken on behalf of the municipal corporation. The Mayor has ultimate authority for directing municipal spending priorities in accordance with local needs and preferences, and oversees the municipality's administration to ensure that all actions taken by administration are consistent with Council policies. From time to time the Mayor must communicate to Council recommendations which tend to the improvement of the finances, health, security, cleanliness, and comfort of the municipality.

CITY ADMINISTRATOR'S OFFICE

City Administrator - H. G. Payne

The City Administrator serves at the behest of the Mayor and members of City Council and has full responsibility for the implementation of Council approved policies, directing the preparation of the executive budget and exercising general financial control over all City departments in terms of approved appropriations.

The City Administrator oversees the day-to-day operations of the City through 14 separate Department Heads, and co-ordinates the administrative interaction with various operating agencies such as the Police Service, the Windsor Public Library, Transit Windsor and the Children's Aid Societies.

Without limiting the foregoing, the City Administrator's Office with a staff of 2 assistants and 3 secretaries, fulfils the administrative direction of such undertakings as Waste Management, the Casino Project, the Windsor Detroit Tunnel, the Riverfront Master Plan, the Multi-Use Facility Development, the Cleary International Centre for Trade, Culture and the Performing Arts, and such other duties and functions as Council may vest in the City Administrator.

CITY OF WINDSOR
SERVICES PROVIDED BY CITY DEPARTMENTS (continued)

FINANCE DEPARTMENT

Department Head - Chuck Wills

The Finance Department is responsible for the overall financial management and stability of the City. More specifically, the financial planning and budgeting services for a \$300 million plus operating budget and a \$50 million plus capital budget, including the development of financial policies and procedures.

The department is also responsible for: the levying and collecting of municipal and school taxes; the collection of grants and other revenues; financial reporting and analysis; payroll and accounts payable; and treasury and debt management. In addition, the department provides centralized information and computing services, purchasing services, and internal audit and consulting services.

In addition to the above, the department provides reporting systems and financial advice to the City of Windsor Housing Company Limited, the Windsor Non-Profit Housing Corporation, the Cleary International Centre, Roseland Golf and Curling Club Limited and the Windsor Tunnel Commission. The Commissioner of Finance is the Treasurer of these five entities.

CITY CLERK'S DEPARTMENT

Department Head - Thomas Lynd

The City Clerk's primary duty is to function as corporate secretary to City Council, which involves recording all resolutions, decisions and other proceedings of Council and maintenance of the official records.

In addition, the City Clerk's office provides secretarial services to over 40 committees,

boards, commissions, and the Court of Revision. Related duties include duplication and distribution of Council and Committee agendas and minutes including notification to interested parties.

The Clerk's office conducts municipal elections every three years pursuant to the Municipal Elections Act and undertakes required procedures under the vital Statistics Act, the Marriage Act, the Change of Name Act and the Freedom of Information and Protection of Individual Privacy Act.

The office of the City Clerk issues trade, business and occupation licences pursuant to Council by-laws, bingo and lottery licences pursuant to Provincial regulations, and dog licences under a Council by-law.

The office executes all legal documents and certifies where required the accuracy of all municipal records.

LEGAL DEPARTMENT

Department Head - Al Kellerman

The Legal Department performs a wide variety of legal services on behalf of Council, Local Boards and Civic Administration.

The Office of the City Solicitor is primarily responsible for the preparation of legal opinions for the guidance of Council and the Administration.

This office also represents the Corporation before the Courts and administrative tribunals such as the Ontario Municipal Board. Some of the additional services performed are the preparation of by-laws, contracts, the conduct of real estate transactions, and the prosecution of contraventions of municipal by-laws.

CITY OF WINDSOR
SERVICES PROVIDED BY CITY DEPARTMENTS (continued)

HUMAN RESOURCES DEPARTMENT

Department Head - Archie Glajch

The Human Resources Department provides centralized personnel services to all Departments under the Authority of the City Administrator in the following areas: recruitment, employment equity, wage and salary administration; organizational analysis; official employment records; fringe benefit administration (including pensions, group life, long term disability insurance, health, dental and vision plans); staff training and development; labour relations; workers' compensation; occupational health and safety; job evaluation and other general administrative programs as may pertain to the Human Resources management function.

**THE CONVENTION & VISITORS
BUREAU OF WINDSOR, ESSEX
COUNTY AND PELEE ISLAND**

Department Head - Jonathon Deneau

The mandate of the Convention & Visitors Bureau is to promote Windsor, Essex County and Pelee Island as a viable leisure, group tour and convention destination.

The Bureau proactively solicits conventions and organized group tour business for the region on an ongoing basis. As well, it has the additional responsibility to directly place long-term convention business into the Cleary International Centre.

The Bureau provides and manages a large scale co-operative marketing effort with the tourism industry to attract leisure travel.

This department also provides a series of vital services including group tour and convention servicing and the provision of information to inquiring visitors/tourists. The Bureau also

produces a series of guides and brochures as collateral and support materials in each market segment.

PLANNING DEPARTMENT

Department Head - Jon Atkins

It is the Planning Department's general mandate to advise City Council on all matters pertaining to municipal planning as set out in the Planning Act of Ontario.

The City's Official Plan provides a policy framework related to the orderly physical development of the municipality. The City's Zoning by-laws, Sign by-law, Property Standards and Maintenance by-law, secondary plans, subdivision review and site plan review policies reflect and conform to the Official Plan.

The Planning Department consists of planning operations and administrative support. Planning operations include staff devoted to current development, long range planning and special projects. These special projects report on a variety of development applications, policy issues and provide advice to Council, the Planning Advisory Committee, other civic departments and the general public. Administrative support consists of clerical and drafting services.

BUILDING DEPARTMENT

Department Head - Ed Link

The Building Department is responsible for the enforcement of the Building Code and regulatory by-laws governing building, heating, plumbing, signs and zoning. In fulfilling their responsibilities, the department must scrutinize buildings and structural drawings for structural and fire safety and assure that heating, plumbing and drainage

CITY OF WINDSOR
SERVICES PROVIDED BY CITY DEPARTMENTS (continued)

for them are in compliance with related by-laws.

The Building Department's mandate is to ensure that all construction complies with legislated standards; ensure orderly development and protect the rights of property owners by enforcing the regulations respecting land use and development; enforce legislation regarding the maintenance of property; assist the public in the comprehension of legislation which governs land use, property maintenance and construction.

PROPERTY AND HOUSING DEPARTMENT
Acting Department Head - Bill Salzer

The Property Department is responsible for a number of duties, including: the purchase of all lands required by the municipality; the sale of surplus city owned lands; management of city owned rental properties, managing, on behalf of the City of Windsor Housing Company Limited, 597 units of senior citizens housing and, on behalf of the City of Windsor Non Profit Housing Corporation, 573 family housing units; and maintaining city owned buildings. Additionally, the department liaises with various City Departments and citizen and business organizations in respect to various programs: Renewal Improvement Development and Economic Revitalization (PRIDE); Residential Rehabilitation Assistance Program (RRAP); Ontario Neighbourhood Improvement Program (ONIP); and the Ontario Home Renewal Program (OHRP).

TRAFFIC ENGINEERING
Department Head - John Tofflemire

The goal of the Traffic Engineering Department is to provide for the safe and efficient movement of people and goods on the public roadway system in Windsor in a manner

which is complementary to existing and planned land development. The Department is organized into two divisions: the Traffic Operations Division is responsible for traffic signal operations, traffic signs, pavement markings, and transportation planning; the Parking Operations Division is responsible for municipal, on and off street parking and city wide parking enforcement.

PUBLIC WORKS DEPARTMENT
Department Head - Gord Harding

The Public Works Department is responsible for all work done on the right-of-way such as maintenance and new construction of roads, sewers and sidewalks.

All recycling and refuse collection is handled from a central location where the refuse is compacted and transported to the County Landfill #3.

The Department runs two major Sewage Treatment Plants (the West Windsor Pollution Control Plant and the Little River Pollution Control Plant) served by twenty-six pumping stations throughout the City.

Additionally, the department maintains all City vehicles and equipment including the police fleet. All new development in the City and servicing of private lands, rezoning and site plan control applications are co-ordinated through the Development Division.

The Engineering Branch provides engineering services, particularly for new capital projects. This branch provides complete in-house design and drafting services and oversees the work of consulting engineers. In addition, the Branch administers by-laws and policies for work by private citizens on the public right-of way.

CITY OF WINDSOR
SERVICES PROVIDED BY CITY DEPARTMENTS (continued)

DEPARTMENT OF PARKS AND RECREATION

Department Head - Lloyd Burridge

The prime function of the Department of Parks and Recreation is to provide an optimum number and variety of leisure opportunities for all age groups within the City of Windsor and to ensure that the environment is protected, preserved and enhanced for the enjoyment of this and future generations.

The department is comprised of four divisions. The Administration Division is responsible for the overall planning, direction and record maintenance of the Department. The Recreation Division is responsible for the numerous innovative programs that are unique to the recreation movement and which are available to the public. The Commercial Services Division is responsible for the programming and operation of: arenas, concessions, a Public Marina and Willistead Manor and Coach House. The Parks Division is responsible for a variety of functions, including: maintaining the municipal parks system, forestry operations, and maintenance of recreation facilities. Additionally, the Design and Development Section of the Parks Division is responsible for the formulation of policies with regard to long range park planning, parkland acquisitions, and the design and development of active and passive parks and recreation facilities.

WINDSOR FIRE DEPARTMENT

Fire Chief - David Fields

The primary goals of the Fire Department are to respond to emergencies, to save lives and protect property.

Fire Prevention Division enforces various

codes, performs safety inspections, reviews and approves construction plans. In addition, the Division presents several safety programs and also investigates fires.

Signals & Communications Division provides dispatching services to the City and nine surrounding municipalities. They are also responsible for design, installation and servicing all electronic equipment in stations and fire apparatus.

Apparatus Division tests, repairs and maintains all vehicles, tools and equipment.

Training Division schedules and provides instruction and training on apparatus, equipment, extinguishment and operational procedures.

Administration performs all administrative duties including maintaining records and accounts, prepares and monitors the departmental budget and controls the General Stores.

SOCIAL SERVICES

Department Head - Dana Howe

The Social Services Department is mandated via Council policy and Provincial legislation to provide necessary social programs and services to Windsor residents. Such programs and services are intended to enhance the quality of life in our community by lessening the burden of poverty, while at the same time, providing services which can facilitate departure from the Social Services system.

The Social Services Department administers a variety of financial assistance and other human services to persons in need. Eligibility for these services is contained in City Council

CITY OF WINDSOR
SERVICES PROVIDED BY CITY DEPARTMENTS (continued)

Resolutions, the General Welfare Act and Regulations, the Family Benefits Act and Regulations, the Day Nurseries Act, the Homemakers and Nurses' Act, the Canada Assistance Plan, and other relevant legislation.

The expenditures of the department are subsidized by the Federal, Provincial and Municipal governments at varying proportions.

The Department administers its social services mandate through three Program Branches, namely: Income Maintenance, Children's Services and Special Services. A fourth branch, the Finance and Administration Branch provides support services to the Office of the Commissioner and the program branches.

HURON LODGE HOME FOR THE AGED
Acting Administrator - Lucie Marcus

Huron Lodge, which was established in 1961, currently has a capacity of 256 beds. In

addition to the facility based care, the Lodge provides services to seniors in two apartment complexes operated by the Windsor Housing Company. The "Keeping in Touch" (KIT) program is designed to assist seniors to remain in their current environment in order to prolong or eliminate the need for care in an institutional setting. The Lodge also operates two Satellite Homes adjacent to the main facility which house up to five senior citizens.

Huron Lodge faces many challenges at present. The Provincial government recently passed legislation that will dramatically change the role that the Home for the Aged is expected to fill in a revitalized long term care system. Community services are expected to be available to seniors and other disabled individuals that will enable them to stay at home longer. This will require facilities such as Huron Lodge to provide care to individuals with much more complex needs than in the past. This trend has been acknowledged for many years.

CITY OF WINDSOR
SERVICES PROVIDED BY OTHER CONSOLIDATED BOARDS

CLEARY INTERNATIONAL CENTRE

General Manager - Sergio Grando

The Cleary International Centre is a new state of the art Convention and Cultural facility rooted in the City of Windsor and looking across the world's busiest international waterway to Detroit.

The Cleary International Centre enables Windsor to capitalize on its historically strategic location, adjacent to almost six million people in the metropolitan Detroit area. It offers a meeting place for cultural and business interests from cities within a wide radius.

ROSELAND GOLF AND CURLING CLUB

General Manager - Paul Meloche

The Roseland Golf and Curling Club is a prestigious 18-hole public golf course designed by Donald Ross. Over 60,000 people golf at Roseland annually. Roseland also has a curling rink which services 750 members annually.

The clubhouse at Roseland is known for its Sunday Buffet and in 1993 the clubhouse served over 100,000 people. Roseland was purchased by the City of Windsor in 1972 and since that time has been operating as a municipally owned facility.

TRANSIT WINDSOR

General Manager - Anthony Haddad

Transit Windsor provides Public Transportation for the City of Windsor and adjacent areas. Transit Windsor is funded by revenue generated by the users of the system and through a partnership between the municipality and the Province of Ontario's Ministry of Transportation.

WINDSOR POLICE SERVICES

Chief of Police - James Adkin

The goal of the Windsor Police Service is to preserve the Peace, prevent and investigate crimes, and without prejudice enforce the law; to provide a respected professional Police service; to work closely and in

harmony with the citizens of Windsor using creative, progressive, participatory programs with strength and compassion.

WINDSOR PUBLIC LIBRARY

Director - Jean Dirksen-Morrison

The Windsor Public Library's purpose is to provide a comprehensive and efficient public library service that reflects the community's unique needs. To help fulfil this purpose, the Library consists of a Main Library and seven branch libraries located throughout the City.

Over 56.7% of all Windsorites are registered library users. In 1993, over 1.3 million items were borrowed for home use while approximately 1.0 million items were used within the libraries. The Windsor Public Library also provides dial-in public access to the library's computer catalogue system.

WINDSOR TUNNEL

Chief Executive Officer - Hilary Payne

The Windsor-Detroit Tunnel opened to cross-border vehicular traffic in November, 1930. In November, 1990 the City of Windsor exercised its option and acquired ownership of the Canadian portion of the Tunnel. The City also adopted a By-law creating the Windsor Tunnel Commission, entrusting the Commission with the maintenance, operation and management of the Windsor Tunnel.

This year will mark the beginning of a \$20-million dollar Windsor Plaza reconstruction to better serve international travellers.

BUSINESS IMPROVEMENT AREAS (B.I.A.)

The City also has a series of local Business Improvement Areas, designed to maintain, beautify and promote local business. Included are: the Downtown B.I.A., Drouillard Road B.I.A., Erie Street East B.I.A., Ottawa Street B.I.A., Riverside B.I.A., Wyandotte Street East B.I.A., Old Midtown B.I.A., Sandwich Community B.I.A., and the Pillette Village B.I.A.

AUDITORS' REPORT

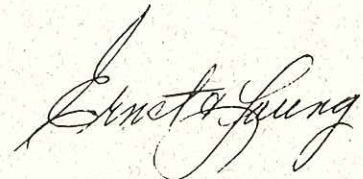

To the Members of Council, Inhabitants and Ratepayers
of the Corporation of the City of Windsor

We have audited the consolidated balance sheet of **The Corporation of the City of Windsor** as at December 31, 1993 and the consolidated statement of operations for the year then ended. These financial statements are the responsibility of the City's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the City as at December 31, 1993 and the results of its operations for the year then ended in accordance with the accounting principles disclosed in note 1 to the consolidated financial statements.

Windsor, Ontario

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements

December 31, 1993

(stated in thousands of dollars)

1. Accounting Policies

The consolidated financial statements of the Corporation are the representation of management prepared in accordance with accounting policies prescribed for Ontario municipalities by the Ministry of Municipal Affairs. Since precise determination of many assets and liabilities is dependent upon future events, the preparation of periodic financial statements necessarily involves the use of estimates and approximations. These have been made using careful judgements.

(a) (I) Basis of Consolidation

These consolidated statements reflect the assets, liabilities, sources of financing and expenditures of the revenue fund, capital fund, reserve funds and reserves and include the activities of all committees of Council and the following boards, municipal enterprises and utilities which are under the control of Council:

- Roseland Golf and Curling Club Limited
- Transit Windsor
- The Corporation Of The City Of Windsor Public Library Board
- Windsor Tunnel Commission
- Downtown Business Association
- Drouillard Road Business Improvement Area
- Erie Street East Improvement Area
- Ottawa Street Business Improvement Area
- Riverside Business Improvement Area
- Wyandotte Street East Improvement Area
- Wyandotte Street East (Old Midtown) Business Improvement Area
- Sandwich Community Improvement Area
- Pillette Village Business Improvement Area

All interfund assets and liabilities and sources of financing and expenditures have been eliminated with the exception of loans or advances between reserve funds and any other fund of the municipality and the resulting interest income and expenditures.

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993

(stated in thousands of dollars)

(II) Non-Consolidated Entities

The following local boards, joint local boards, municipal enterprises and utilities are not consolidated:

City of Windsor Housing Company Limited
City of Windsor Non-Profit Housing Corporation
Windsor-Essex County Health Unit
Windsor Utilities Commission (Hydro and Water Divisions)

The non-consolidation of the entities listed above is in accordance with the accounting principles prescribed by the Ministry of Municipal Affairs.

(III) Accounting for School Board Transactions

The taxation, other revenues, expenditures, assets and liabilities with respect to the operations of the school boards, are not reflected in the municipal fund balances of these financial statements. Amounts due to/from school boards are reported on the consolidated balance sheet as accounts payable/accounts receivable.

(IV) Trust funds and their related operations administered by the municipality are not consolidated, but are reported separately on the trust funds statements of continuity and balance sheet.

(b) Basis of Accounting

(I) In accordance with practices common to Ontario municipalities, the Corporation follows the fund basis of accounting. The capital fund is used principally to account for assets acquired or obligations incurred which are to be financed from the future revenue of the Corporation and it is the annual cost of this financing that is charged against current (revenue fund) operations. Reserve funds are generally created, pursuant to applicable statutes, by appropriations from current (revenue fund) operations. The use of these funds is restricted to the purposes for which the reserve funds were created.

(II) Within the framework of the fund basis of accounting, the Corporation maintains its accounts on an accrual basis except where modification of such basis is consistent with practices employed by

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993

(stated in thousands of dollars)

Ontario municipalities whose revenue is raised only to meet their current expenditure. The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

Modifications of the accrual basis employed by the corporation are as follows:

- (i) Principal and interest charges on long term liabilities are charged against current operations in the consolidated statement of operations in the periods in which they mature. Principal and interest charges are not accrued for the period from the date of the latest installment payment to the end of the financial year.
- (ii) Cost of sick leave is charged against operations on a cash basis except any amount against which a reserve is provided.
- (iii) The costs of the early retirement program are deferred and charged against operations in the year they are funded.

(III) Inventories

Inventories are included on the balance sheet as part of other current assets. These are valued at the lower of cost or replacement value.

(IV) Fixed Assets

The historical cost and accumulated depreciation for fixed assets are not recorded for municipal purposes. Fixed assets are reported as an expenditure on the consolidated statement of operations in the year of acquisition. The proceeds from debt issues for those fixed assets financed by long term indebtedness is reported on the consolidated statement of operations.

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993
(stated in thousands of dollars)

(V) Capital Outlay to be Recovered in Future Years

Capital outlay financed by long term liabilities and to be recovered in future years, which represents the outstanding principal portion of unmatured long term liabilities for municipal expenditures or capital funds transferred to other organizations, is reported on the consolidated balance sheet.

2. School Boards

Further to note 1(a)(iii), the taxation and requisitions of the school boards are comprised of the following:

	School Boards	
	1993	1992
	\$	\$
Taxation received or receivable	126,985	121,982
Requisitions	127,018	121,839
Amount due from (to) school boards	33	(143)

3. Contribution to Unconsolidated Joint Board

Further to note 1(a)(ii) the following contribution was made by the municipality to this board:

	1993	1992
	\$	\$
Windsor-Essex County Health Unit	1,039	1,047

The Municipality is also contingently liable for its share, which is approximately 61% of any deficits which may arise. The municipality's share of the accumulated (deficits) surpluses of this joint board is as follows:

	1993	1992
	\$	\$
Windsor-Essex County Health Unit	(1)	28

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993

(stated in thousands of dollars)

The city is also contingently liable for its share of the costs pertaining to a lease agreement of the Windsor–Essex County Health Unit which expires on December 31, 2018. In addition to future rental payments totalling \$11,499 lease costs include insurance, taxes and utilities related to the leased premises. It is considered unlikely that the city will ever be called upon to take over lease payments. The city's share of the Health Unit's annual gross costs is presently approximately 12%.

4. Trust Funds

Trust funds administered by the municipality amounting to \$3,576 (1992, \$3,527) have not been included in the consolidated balance sheet nor have their operations been included in the consolidated statement of operations.

5. Early Retirement Program

In 1993 the corporation offered an early retirement program to its employees. As a result, the city incurred net expenditures of \$1,796 which were deferred. An additional \$1,025 has been incurred to date in 1994. The program extends to 1994 and 1995 with a total estimated cost over the term of the program of \$4,500.

City Council has approved the financing of the program by allocating \$1,500 from taxation revenue in each of the years 1994 through 1996 inclusively.

The expenditures and related funding may be summarized as follows:

	Expenditures	Funding
	\$	\$
1993	1,796	-
1994	2,504	1,500
1995	200	1,500
1996	-	1,500
	<u>4,500</u>	<u>4,500</u>

6. Mortgage Receivable

The city has entered into a non-recourse, non-interest bearing demand mortgage with The Art Gallery of Windsor. This mortgage is to assist the Art Gallery in assembling the land to be leased to The Province of Ontario for the interim casino. Terms for repayment have not yet been finalized.

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993

(stated in thousands of dollars)

7. Investments

The total of investments of \$1,496 (1992, \$1,816), including investment in own debentures, reported on the consolidated balance sheet at cost, have a market value of \$1,527 (1992, \$1,891) at the end of the year.

8. Pension Agreements

The Municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS) which is a multi-employer plan, on behalf of 2250 members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. The multi-employer plan is valued on a current market basis for all plan assets and has no actuarial deficiency for current obligations.

The amount contributed to OMERS for 1993 was \$6,292 (1992, \$6,132) for current service and is included as an expenditure on the consolidated statement of operations. The current obligations of the pension plan are funded on a current basis with a uniform contribution rate for all employees and employers based on normal retirement age.

Under the past service, optional and extended service provisions of the OMERS agreements, the municipality is obligated at December 31, 1993 for an amount of approximately \$1,716 (1992, \$2,694) as established for the plans. No provision has been made for this liability. The balance of this liability will be funded by annual charges as follows:

	Funding
	\$
1994	1,055
1995	148
1996	159
1997	170
1998 - 2000	184
	<u>1,716</u>

An amount of \$978 (1992, \$1,237) in addition to the amount for current service has been provided for in the current year and is reported as an expenditure on the consolidated statement of operations. Contributions are based on an actuarial valuation made in 1987. This valuation was due to be updated in 1990. No update has been done at this time and O.M.E.R.S. has advised that no updated valuation will be done.

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993

(stated in thousands of dollars)

Transit Windsor maintains its own contributory pension plan covering substantially all of its employees. The plan provides pensions based on length of service and career average earnings. The entity matches contributions by employees to the pension plan. In accordance with an actuarial report prepared as of December 31, 1993, projected benefits accrued under the entity's plan aggregated to \$10,385 (1992, \$9,626) and net assets, at market value, available to provide these benefits amount to \$10,974 (1992, \$9,514).

9. Liability for Vested Sick Leave Benefits

Under the sick leave benefit plan, unused sick leave can accumulate and certain employees may become entitled to a cash payment when they leave the municipality's employment.

The liability for these accumulated days, to the extent that they have vested and could be taken in cash by an employee on terminating, amounted to \$15,500 (1992, \$17,000) at the end of the year. No provision has been made for this liability. An amount of \$601 (1992, \$799) has been provided for the current year and is reported on the consolidated statement of operations.

Anticipated payments over the next five years to employees who are eligible to retire and entitled to a pay out are as follows:

1994	\$17
1995	34
1996	114
1997	220
1998	52
	<u>\$437</u>

10. Net Long Term Liabilities

- (a) The balance of the net long term liabilities reported on the consolidated balance sheet is made up of the following:

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993
(stated in thousands of dollars)

	1993 \$	1992 \$
Total long term liabilities incurred by the municipality including those incurred on behalf of school boards, other municipalities and municipal enterprises and outstanding at the end of the year amount to	89,033	80,372
Of the long term liabilities shown above, the responsibility for payment of principal and interest charges has been assumed by unconsolidated local boards, municipal enterprises and utilities, and other municipalities. At the end of the year, the outstanding principal amount of this liability is	(35,969)	(31,320)
Of the long term liabilities shown above, the responsibility for payment of principal and interest charges for tile drainage and shoreline property assistance loans has been assumed by individuals. At the end of the year, the outstanding principal amount of this liability is	(8)	(10)
The total value of sinking funds which have been accumulated to the end of the year to retire the outstanding long term liabilities included above, amount to	(1,382)	(1,629)
Net long term liabilities at the end of the year	<u>51,674</u>	<u>47,413</u>

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993

(stated in thousands of dollars)

Of this amount, \$1,443 (1992, \$1,804) are held by reserve funds as investments.

The city has assumed no debt from other municipalities.

- (b) Of the net long term liabilities reported in (a) of this note, \$49,313 in principal payments are payable from 1994 to 1998, \$2,361 from 1999 to 2003. These amounts will require funding in those periods and are summarized as follows:

	1994 to 1998 \$	1999 to 2003 \$
from general municipal revenues	48,123	1,598
from benefitting landowners	1,190	763
	<u>49,313</u>	<u>2,361</u>

- (c) Included in the net long term liabilities on the consolidated balance sheet is an amount of \$8,855 (1992, \$10,761) payable in United States currency, which was converted into Canadian dollars at the rate of exchange prevailing at December 31, 1993. When the liability is converted into Canadian dollars at the rate of exchange prevailing when the liability was incurred, the foreign exchange translation adjustment is \$881 (1992, \$973).
- (d) Approval of the Ontario Municipal Board or Treasurer's Certificate has been obtained for the long term liabilities in (a) issued in the name the municipality.
- (e) The municipality is contingently liable for long term liabilities with respect to tile drainage and shoreline property assistance loans, and for those for which the responsibility for the payment of principal and interest has been assumed by other municipalities, school boards and unconsolidated local boards, municipal enterprises, and utilities. The total amount outstanding as at December 31, 1993 is \$35,977 (1992, \$31,330) and is not recorded on the consolidated balance sheet.

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

(stated in thousands of dollars)

11. Charges for Net Long Term Liabilities

Total charges for the year for net long term liabilities which are reported on the consolidated statement of operations are as follows:

	1993 \$	1992 \$
Principal payments including contributions to sinking funds	15,181	12,391
Interest	5,044	4,274
	<u>20,225</u>	<u>16,665</u>

The charges for long term liabilities assumed by the non-consolidated entities or by individuals in the case of tile drainage and shoreline property assistance loans are not reflected in these statements.

12. Municipal fund balances at the end of the year

(a) The balance on the consolidated statement of operations of municipal deficit of \$208 (1992, \$305) at the end of the year increases general taxation in the following year and is comprised of the following:

	1993 \$	1992 \$
For general reduction (increase) of taxation:		
City of Windsor revenue fund	18	(216)
The Corporation of the City of Windsor		
Public Library Board	28	99
	<u>46</u>	<u>(117)</u>
For benefitting landowners related to special charges and special areas:		
Downtown Business Association	(24)	13
Ottawa Street Business Improvement Area	(11)	(26)
Sandwich Community Improvement Area	(150)	(175)
Wyandotte Street East Improvement Area	(69)	-
	<u>(254)</u>	<u>(188)</u>
	<u>(208)</u>	<u>(305)</u>

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993

(stated in thousands of dollars)

Ontario municipalities raise revenue and receive financing in accordance with statutory requirements. The recognition of certain costs in their accounts and, as a result, the need to raise revenue and receive financing, does not necessarily conform to full accrual accounting. The exceptions to full accrual accounting are described in note 1(b) to the financial statements. The costs which relate to those exceptions and which will require future funding are estimated to be:

	1993 \$	1992 \$
Accrued interest on long term liabilities	1,723	2,143
Vested sick leave	15,500	17,000
Vested early retirement expenditures	2,821	-
	<u>20,044</u>	<u>19,143</u>

The city's corporate policy allows only temporary employees the option of vacation pay in lieu of time off. Consequently, accrued vacation pay at year end is not significant and, thus, not disclosed.

- (b) The balances of unfinanced capital outlay at the end of the year are estimated as follows:

	1993 \$	1992 \$
Acquisition of fixed assets to be recovered through taxation or user charges	(16,818)	(6,245)
Acquisition of fixed assets to be financed from the proceeds of long term liabilities	(8,885)	(18,702)
Acquisition of fixed assets to be recovered through reserves and reserve funds	(580)	(2,108)
Funds available for the acquisition of fixed assets	8,200	9,775
	<u>(18,083)</u>	<u>(17,280)</u>

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993
(stated in thousands of dollars)

Acquisition of fixed assets to be recovered through taxation or user charges includes \$8,372 representing the costs incurred to December 31, 1993 for the casino project.

- (c) The corporation has contracted for various other capital construction projects, at a cost approximating \$3,524 (1992, \$7,820) in the aggregate, to be financed generally by unapplied capital receipts, senior government subsidies and the issue of debentures.

In addition, the city is committed to an estimated \$25,500 for land purchase costs for casino purposes which are expected to be recovered from either The Province of Ontario or the casino operator.

- (d) In addition to these costs the corporation has contracted for certain services over periods not exceeding five years at an aggregate cost approximating \$173 (1992, \$310). These arrangements have been approved by the Ontario Municipal Board or Treasurer's Certificate.

13. Reserves and Reserve Funds

The total balances of reserves and reserve funds of \$3,803 (1992, \$3,950) and \$23,857 (1992, \$27,644) respectively are made up of the following:

	1993 \$	1992 \$
Reserves set aside for specific purpose by Council:		
Working funds	364	927
Encumbrances	1,986	1,646
Future planning	139	143
Future pension costs	852	726
Recreation	25	22
Police equipment	437	486
 Total reserves	 <u>3,803</u>	 <u>3,950</u>

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993
(stated in thousands of dollars)

	1993 \$	1992 \$
Reserve funds set aside for specific purpose by Council:		
Replacement of equipment	12,451	10,724
Capital expenditures	4,360	5,768
Tunnel improvements	1,954	6,661
DNN Galvanizing indemnification	3,000	3,000
Mill rate stabilization	-	140
Insurance	403	404
Transit workers compensation	-	303
Health benefits rate stabilization	395	184
Future planning	103	77
	<u>22,666</u>	<u>27,261</u>
Reserve funds set aside for specific purpose by legislation, regulation or agreement:		
Park purposes	309	-
Development charges	882	383
	<u>1,191</u>	<u>383</u>
Total reserve funds	<u>23,857</u>	<u>27,644</u>

14. Other Commitments

The corporation has committed to purchase replacement equipment at a net cost approximating \$54 (1992, \$327) to be financed by various reserve funds.

The corporation has also committed to make the following grants:

	1994 \$	1995 \$	1996 \$	Total \$
Windsor Western Hospital – Chronic Care Facility	500	-	-	500
Capitol Theatre – land and building acquisition	610	610	610	1,830
YMCA – refurbishing	125	125	-	250
	<u>1,235</u>	<u>735</u>	<u>610</u>	<u>2,580</u>

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993

(stated in thousands of dollars)

15. Contingent Liabilities

During the normal course of operations, the corporation is subject to various legal actions. The settlement of these actions is not expected to have a material effect on the financial statements of the corporation.

16. Budget Figures (not provided)

Budgets established for capital funds, reserves and reserve funds are prepared based on a project-oriented basis, the costs of which may be carried out over one or more years. As such, they are not directly comparable with current year actual amounts and budgets have therefore not been reflected on the consolidated statement of operations.

17. Public Liability Insurance

The municipality is self insured for public liability claims up to \$10 for any individual claim and \$150 in aggregate for the one year policy term. Outside coverage is in place for claims in excess of these limits.

The municipality has made provision for a reserve fund for self insurance which as at December 31, 1993 amounted to \$403 (1992, \$404) and is reported on the consolidated balance sheet under reserve funds. The municipality budgets each year for premiums and claims. Any budget excess is credited to the reserve fund and any budget deficit is charged to the reserve fund. The budget excess for the year of \$175 (1992, \$185) has been reported as an expenditure on the consolidated statement of operations. \$185 (1992, \$300) has been transferred from the reserve fund to current operations to offset premiums and deductibles. Claims settled during the year amounted to \$150 (1992, \$150) and are accordingly charged as an expenditure on the consolidated statement of operations.

18. Social Contract

The Social Contract Act requires municipalities to reduce expenditures by a specified amount in each of the years 1993, 1994 and 1995. Unconditional grants will be reduced by a corresponding amount each year. The sectoral agreement between the provincial government and the municipal sector, however, provides for the automatic deferral of 25% of the 1993 social contract target amount and the corresponding reduction of unconditional grants until 1996. For The Corporation of the City of Windsor the target amount for each year is \$4,500. The amount deferred to 1996 is \$1,125.

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Consolidated Financial Statements, continued

December 31, 1993

(stated in thousands of dollars)

19. Comparative Figures

Certain comparative figures have been restated to conform with the current year's presentation.

20. Subsequent Events

The city has entered into an agreement with the Province of Ontario to recover the costs of acquiring and improving land for the parking lots dedicated to the casino project. The agreement calls for a payment to the city of \$11,300 upon commencement of the parking operations plus equal participation in net revenues.

Subsequent to year end, City Council approved a construction contract for \$13,000 with respect to the Windsor Tunnel Commission Plaza to be funded through reserve funds and the issue of debentures. In early 1994 the city advanced funds to the Windsor Tunnel Commission totalling \$3,400 for land purchases related to the project.

AUDITORS' REPORT

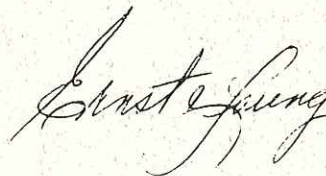

To the Members of Council, Inhabitants and Ratepayers
of the Corporation of the City of Windsor

We have audited the balance sheet of the trust funds of the **Corporation of the City of Windsor** as at December 31, 1993 and the statement of continuity of trust funds for the year then ended. These financial statements are the responsibility of the City's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the trust funds of the City as at December 31, 1993 and the continuity of trust funds for the year then ended in accordance with the accounting principles disclosed in note 1 to the financial statements.

Windsor, Ontario

THE CORPORATION OF THE CITY OF WINDSOR

Notes to Trust Funds Statements

December 31, 1993

(stated in thousands of dollars)

1. Accounting Policies

Basis of Accounting

Revenue and expenditures are reported on the accrual basis of accounting.

2. Ontario Home Renewal Program (O.H.R.P.)

The Ontario Home Renewal Program was established by the Ontario Ministry of Housing in 1973 to provide grants for municipalities to make loans to assist owner occupants to repair, rehabilitate and improve their homes to local property standards. Individual loans are limited to \$7,500 of which the maximum forgivable portion is \$4,000. Ontario Home Renewal Program (O.H.R.P.) loans receivable at December 31, 1993 comprise repayable loans of \$667 (1992, \$753) and forgivable loans of \$276 (1992, \$345). Loan forgiveness is earned and recorded at a rate of up to \$600 per year of continued ownership and occupancy. In the event of the sale or lease of the home or in the event of the homeowner ceasing to occupy the home, the balances of the repayable loan and the unearned forgivable loan immediately become due and payable by the homeowner.

At December 31, 1993, the Province of Ontario has discontinued this program for all but special circumstances. The municipalities will continue to act as agents on behalf of the Province with respect to the collection of outstanding receivables.

3. Investments

The total for investments by the trust funds of \$83 (1992, \$437) reported on the balance sheet at cost, have a market value of \$124 (1992, \$477) at the end of the year.

4. The Chimchuk Trust Fund

The Chimchuk Trust was established during 1993 when the City became the beneficiary of an estate of a former Windsor resident. The funds must be expended according to the terms of the will.

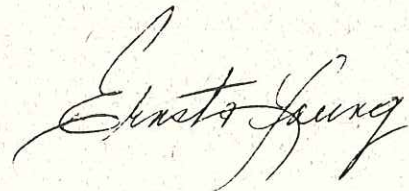

AUDITORS' REPORT

The Mayor and Members of Council of the Corporation of the City of Windsor

We have examined the financial statement of the Sinking Fund By-Law 5979 as at December 31, 1993 as required by the Municipal Act. Our examination was made in accordance with generally accepted auditing standards and, accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion, this financial statement presents fairly, the balance of the Sinking Fund By-Law 5979 as at December 31, 1993 in accordance with the provisions of the Municipal Act.

AUDITORS' REPORT

The Mayor and Members of Council of the Corporation of the City of Windsor

We have examined the City of Windsor's compliance as at December 31, 1993 with the Purchase Agreement of the 9 1/2% and 10% U.S. Debentures dated March 30, 1976. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion, the Corporation of the City of Windsor is in compliance with the Terms of the Purchase Agreement.

Total Reserves and Reserve Funds	<u>27,660</u>	<u>31,594</u>	<u>27,267</u>	<u>23,945</u>	<u>25,762</u>

The Corporation of the City of Windsor, like all Ontario municipalities, utilizes the Fund Basis of Accounting. More specifically, the three separate types of funds are: the Current Fund, the Capital Fund, and Reserves and Reserve Funds.

Day to day municipal services are reported in the Current Fund. Capital projects (i.e., projects such as road construction and maintenance, etc., with benefits to the City lasting more than one year) are recorded in the Capital Fund. Reserves and Reserve Funds reflect funds set aside by Council for specific purposes, either voluntarily or by statute. Statutory Reserve Funds relate to funds established for the purpose of receiving certain developers' contributions (e.g., cash in lieu of parkland.)

Council is required by law to levy, in the subsequent year, for any current fund deficit; any surplus reduces the amount of the subsequent year's levy.

Unexpended Capital Financing relates to capital projects for which permanent financing has been raised but not yet fully expended. Unfinanced Capital Outlay relates to project costs which have not yet been permanently financed. Financing for these costs takes place in subsequent years from a combination of the following sources: issues of long term liabilities, contributions from reserves and reserve funds, and taxation and user charges (i.e., contributions from the current fund.)

NOTE: The amounts reported on this schedule reflect only those of the City of Windsor Current Fund and therefore some captions do not tie directly into the consolidated financial statements.

CITY OF WINDSOR

TAXATION INFORMATION

TAXATION OVERVIEW

The City of Windsor, like all Ontario municipalities, calculates the taxation levy by multiplying assessments by the appropriate mill rates.

Assessment values are determined by the province and are based on a percentage of the estimated market value of the property as of 1984. Mill rates are set by the City to raise sufficient revenue to pay for net City expenditures after having deducted other expected sources of revenue such as provincial grants, user charges, etc.

Mill rates for Residential and Farm properties are set at 85% of the mill rates for Business Commercial and Industrial properties.

In addition to levying and collecting its own taxes, the City also collects taxes on behalf of the two local school boards. The mill rates for education purposes are determined by the two school boards; City Council has no authority to change these mill rates.

<u>Net debt to be repaid from property taxes</u>	45,838	44,660	48,533	55,446	62,193
<u>Debt Issued by W.R.C.S.S.B. **</u>	974	79	104	162	228
<u>Per Capita Debt:</u>					
Population	191,435	192,822	192,822	193,160	193,160
Gross debt per capita	465	417	344	330	369
Net debt per capita	270	246	252	287	322

* The City issues debt obligations in order to finance various capital projects. Issues of debt obligations that run beyond the term of council and exceed the debt and financial obligation limits of the Corporation must be approved by the Ontario Municipal Board. Provincial legislation defines the maximum amount of debt that a particular municipality is allowed to issue. The City of Windsor's annual legal debt limits are as follows:

	1993 \$000's	1992 \$000's	1991 \$000's	1990 \$000's	1989 \$000's
	276,120	253,787	217,023	198,676	157,274

** As the City of Windsor is not part of a tiered or regional municipal structure, the only overlapping debt is that issued directly by the Windsor Roman Catholic Separate School Board (W.R.C.S.S.B.).
