### PLANNING CONSULTATION PROCESS: STAGE 2

Effective July 1, 2023, the Planning Consultation Process (previously the Pre-Submission Application) will be completed in 2 stages. This Stage 2 application must be completed before a development application under the Planning Act can be submitted.

The purpose of the "Consultation Stage 2" application will be to circulate to City Departments and local agencies, all plans, studies or reports (hereafter referenced as *documents*) that were identified as being required in the Stage 1 process. Staff will review the *documents* and determine if changes or additional information is required.

The applicant/agent will be contacted to discuss any changes, if required, to any of the *documents* submitted. Once it has been determined that all required *documents* are approved, Planning Department staff will then prepare a letter for the applicant/agent to inform them of the next steps to be followed in order to submit a development application under the Planning Act. Staff will also identify the application fee.

The Planning Consultation Stage 2 letter is valid for one year.
