2024 Windsor-Essex Professional Learning Calendar

The Professional Learning Calendar was developed to give the Early Learning Professionals of Windsor-Essex working in child care and early years programs an overview of professional learning opportunities in 2024. The calendar will be updated on an ongoing basis as more professional learning sessions are scheduled.

Professional learning opportunities are provided in order to assist Registered Early Childhood Educators (RECEs) in maintaining and achieving their requirements for Continuous Professional Learning (CPL) with the College of Early Childhood Educators. Ongoing professional learning helps RECEs and all early learning professionals to increase their knowledge and skills and ensure quality professional practice throughout their careers.

Please click on the link below to find the most current calendar.

Some professional learning will be offered in a series format. In order to qualify for this professional learning and receive a certificate, participants must register and attend all sessions in the series. The professional learning series will be colour coded on the calendar in order to assist in locating all of the training dates. The legend for the professional learning series will be populated below once confirmed.
