**ADDENDUM NO. 2
TENDER NO. 165-18
SAFETY FOOTWEAR**

December 5, 2018

This addendum amends and forms part of the Tender Documents. The bidder shall insert the addendum behind the cover page of the Tender Documents.

Please note the following questions and answers:

1. In Section 5.1 and 5.1.1, the text refers to Approved Equivalent, Approved Alternates and Approved Equals. The Appendix "F" Pricing Schedule does not contain the words "Approved Alternate", only "Alternate". Does this mean that the approval processes laid out in 5.1 and 5.1.1 do not apply? Will products sheets contained in the bid that state the specifications of the alternate product so that the City of Windsor can determine that they are alternate styles, suffice?

Answer: Please submit any alternates for approval as per Section 5 of the tender document.

2. Regarding Line 60 – this style is not offered by Timberland. Can it be removed?

Answer: Style # 91670 is still current and available through Timberland.

Except for the contents of this addendum, all other terms and conditions of this tender remain the same.
