

**BY-LAWS 6716 AND 245-2004
RESPECTING THE EMISSION OF SOUNDS AND DOG CONTROL**

No person within the municipality shall emit or cause or permit the emission of sound resulting from any act listed in Table 3-1 below:

Excerpt From Noise Emissions By-law #6716	Prohibited Period Of Time	
	Commercial Area	Residential Area
2. The sound from or created by any radio, phonograph, tape player, television, public address system, sound equipment, loud speaker, or any musical or sound producing instrument of whatever kind when the same is played or operated in such manner or with such volume as to disturb the peace, quiet, comfort or repose of any individual in any office, dwelling house, apartment, hotel, hospital, or any other type of residence...	At all times	At all times
17. Persistent barking, calling or whining, or other similar persistent noise making by any domestic pet or any other animal kept or used for any purpose other than agricultural. (added B/L 113-1999, Apr 26/99, eff. May 28/99)		
Excerpt From Dog Control By-law #245-2004	Commercial Area	Residential Area
12. No guardian shall permit persistent barking, calling, whining or other noise making by his or her dog that is clearly audible at a point of reception located in the City (Windsor).	At all times	At all times

Please note: To assist in the processing of your complaint efficiently, the **minimum** information we **require** in this section is a **complainant name, address, and contact information**. In addition, we require the address or business location of the suspected violation.

Further details you should include are:

- Were you in a dwelling, business, public or private property?
- If you were inside, were your windows and doors open or closed?
- Description of noise: Example song playing?
- Duration of the noise (if possible record start to finish)
- Was the noise persistent or intermittent?
- Does the noise interfere with normal conversation, activities, quality of life etc? If so, provide details.
- Where was the noise coming from ? (how do you know?)
- Who was causing or permitting the noise (name of person or business)
