Presentations & Delegations:

Site Plan Approval for the proposed development at 790 Goyeau Street

Davide Petretta, Petretta Construction Inc.

Davide Petretta, Petretta Construction Inc., appears before Council to provide an overview of his request for Site Plan Approval for 790 Goyeau Street, stating that what has been proposed balances the operational requirements of the development as well as safety considerations for the overall benefit of the community, and concludes by requesting that with regards to the "south and west elevations" that there be no additional (transparent) glazing beyond that proposed by the developer.

Sam Helou, property owner and Marianna Arpino, Solicitor

Sam Helou, property owner, and Marianna Arpino, Solicitor, appear before Council to state that they are satisfied with the site plan proposed by the developer for the Beer Store at 790 Goyeau Street, subject to the following: a double sided decorated masonry fence along the southerly lot line of the property; the neighbours be allowed to continue to be involved in the development of the entire site, and that if there are any amendments to the approved site plan, that they be provided 10 business days notice; no outdoor refuse container would be shown in the approved site plan; and deed restrictions be provided to the neighbours and registered on title to the property (with the additional use restrictions of a massage parlour or tattoo parlour).

Matthew Pearce, property owner

Matthew Pearce, property owner, appears before Council to speak in support of the site plan application for the proposed development at 790 Goyeau Street, stating that he is comfortable with what the applicant is promising, such as the double sided decorated masonry fence along the lot line.

Barry Horrobin, Director of Planning & Physical Resources, Windsor Police Service

Barry Horrobin, Director of Planning & Physical Resources, Windsor Police Service, appears before Council and is available for questions regarding the site plan application for the proposed development at 790 Goyeau Street, and states his professional opinion that there needs to be a design that maximizes safety and security.
