Moved by Councillor Hatfield, seconded by Sleiman,

M212-2012

Whereas the Ontario Lottery and Gaming Commission (OLG) made the unilateral decision to close the OLG Slots at Windsor Raceway; and

Whereas there was no meaningful consultation with any of the OLG's Partners prior to this sudden announcement; and

Whereas this unilateral decision puts nearly three hundred people out of work in one of the areas in the province with the highest unemployment rate; and

Whereas part of the city's share from the revenues from the OLG Slots was used for nutritional school breakfast programs for children in need; and

Whereas this unilateral decision is seen by many of our residents as the beginning of the end for the local harness racing industry; and

Whereas that could lead to the loss of another estimated two thousand local jobs; and

Whereas to date, no one in authority has met with or had meaningful dialogue with local industry leaders to discuss the future of Harness Racing in Ontario; and

Whereas to date none of our local MPPs have stepped up to coordinate efforts to help transition the affected employees with employment and career counselling, job retraining possibilities, and other employee assistance programs; and

Whereas many of these employees will without doubt struggle to find suitable employment elsewhere; and

Whereas the Ontario government has not announced the provision of budgeted amounts to assist in these re-employment initiatives; and

Whereas the Windsor Raceway has been an integral part of this area's entertainment, tourism and gaming initiatives since 1964; and

Whereas a vibrant, viable and sustainable horse racing industry is a key component to our regional economic health as well as our local tourism and entertainment sector; and

Whereas the spinoff jobs associated with the harness racing industry include, among others, those who operate the farms where feed and bedding is grown; those who breed horses; train horses; groom horses; blacksmiths, veterinarians; massage therapists; those who make and supply the tack, the carts, as well as those who build and sell the horse trailers and the pickup trucks which haul them, and those who repair and service these vehicles; and let us not forget those who sell the tickets to the customers, and those who cleanup after them as well as those who televise the races and provide security and start the races, and check the horses, and police the industry as well as the many others, such as those who mend the broken bones of injured drivers and horses and all others who earn a living either full-time or part-time in Ontario's harness racing industry; and

Whereas there are estimates of as many as sixty thousand people working in Ontario's horse racing and breeding industry; and

Whereas the government's actions have led to uncertainty in the industry's future in so much as breeders are reporting cancellations because of this uncertainty; and

Whereas we need assurance that the Ontario government is mindful of the importance of this industry to the economic well being of our Province; and

Whereas without meaningful dialogue and consultation these issues remain unaddressed and a concern to us and to those directly and indirectly affected by everything mentioned above; and

Whereas these issues are also a concern to the County of Essex, and the cities of Sarnia, Fort Erie, and Greater Sudbury, among others;

Therefore be it resolved that the City of Windsor hereby petitions the Province of Ontario to maintain its support and commitment to the horse racing industry so that it may be preserved and enhanced;

AND FURTHER, that the Honourable Dalton McGuinty, Premier of Ontario, as well as the Honourable Dwight Duncan, Minister of Finance, take immediate steps to bring together the many partners associated with this industry for a meaningful consultation on what has transpired and what the future holds;

AND FURTHER, that immediate steps be taken to assist those impacted by the OLG's unilateral decision with on-site counselling and government or OLG paid retraining opportunities;

AND FURTHER, that after hearing from the delegations this evening, that this Council petitions the OLG and the Ontario Government to reverse its decision to close the slots industries at our provincial raceways;

AND FURTHER, that the opposition parties make this motion one of their demands for supporting the Liberal budget;

AND FURTHER, that the Provincial Government share the Business Plan that galvanized these decisions and that the Business Plan be shared with Ontario municipalities and all of the key players directly affected by these decisions;

AND FURTHER, that this motion be brought to the attention of Mr. McGuinty as well as our local MPPs and our local MPs as well as the leaders of the two opposition parties at Queen's Park;

AND FURTHER, that this item be added to the next agenda of a City – County meeting for further discussion and action.
