Decision Number: CR1/2022

That the following Communication Items 7.1.1 through 7.1.5 and 7.1.10 through 7.1.14 (inclusive) as set forth in the Council Agenda **BE REFERRED** as noted; and that Items 7.1.6 through 7.1.9 be dealt with as follows:

##### 7.1.7. AMCTO Advocacy Update regarding Joint and Several Liability Reform

Moved by: Councillor Gignac

Seconded by: Councillor Francis

Decision Number: CR2/2022

That the correspondence from the Association of Municipal Managers, Clerks and Treasurers of Ontario (AMCTO) dated January 13, 2022 regarding Advocacy Update: Joint and Several Liability Reform **BE RECEIVED**; and further,

That the following resolution provided by AMCTO **BE ENDORSED** by Windsor City Council:

Whereas municipal governments provide essential services to the residents and businesses in their communities; and,

Whereas the ability to provide those services is negatively impacted by exponentially rising insurance costs; and,

Whereas one driver of rising insurance costs is the legal principle of 'joint and several liability,' which assigns disproportionate liability to municipalities for an incident relative to their responsibility for it; and,

Whereas, the Government of Ontario has the authority and responsibility for the legal framework of 'joint and several liability;' and,

Whereas the Premier of Ontario committed to review the issue in 2018 with a view to helping municipal governments manage their risks and costs; and,

Whereas the Association of Municipalities of Ontario on behalf of municipal governments has provided recommendations in this source document to align municipal liability with the proportionate responsibility for incidents and capping awards;

Now, therefore be it resolved, that the City of Windsor does hereby support AMO's recommendations; and,

Further be it resolved that the City of Windsor does hereby call on the Attorney General of Ontario to work with municipal governments to put forward a plan of action to address "joint and several liability" before the end of the government's current term so that municipalities can continue to offer high quality services to their communities.

Carried.

### **7.1.8. AMO Call to Action regarding CN Rail and Drainage**

Moved by: Councillor Gignac

Seconded by: Councillor Francis

Decision Number: CR3/2022

That the correspondence from the Association of Municipalities Ontario (AMO) dated January 5, 2022 regarding CN Rail and Drainage **BE RECEIVED** for information; and further,

That Administration **BE DIRECTED** to send a letter to CN Rail, as well as other recipients listed, as prepared by the AMO in support of the Ontario Minister of Agriculture, Food and Rural Affairs (OMAFRA)'s letter dated December 23, 2021, expressing concern that municipal governments across Ontario are experiencing significant issues with drainage maintenance work, construction of new drains, and the collection of assessed costs to *Railways for the Drainage Act*, and that its request that CN Rail comply with the Act so that municipalities and tax payers are not left carrying the costs of these works that should be borne by the railway.

### Stephen Laforet, Fire Chief, Community Emergency Management Coordinator – Windsor/Essex County

Stephen Laforet, Fire Chief, Community Engagement Management Coordinator – Windsor/Essex County, appears before Council to provide an update related to the COVID-19 pandemic and provides the following details related to the Province and our community:

- Late last year the Omicron variant become the predominant variant in the pandemic; This variant is highly transmissible, and they are seeing many cases in vaccinated individuals though the degree of illness is lower in these individuals.
- Where there were less than 1000 new cases in the province daily in early fall, with some days as low as 250, cases began to rise exponentially in December and January; Last week daily cases ranged from 13362 to 9706 over a five-day period.
- On December 31, the Province issued guidance related to testing and isolation; PCR tests are now being utilized for the health care sector and different vulnerable populations; Individuals with symptoms consistent with COVID-19 are now presumed positive and need to follow public health isolation and self-monitoring guidelines.
- Isolation for vaccinated individuals and children under 12 is now five days following onset of symptoms; These people can end isolation after five days if their symptoms are improving for at least 24 hours.
- Unvaccinated individuals, partially vaccinated individuals, or immunocompromised individuals must isolate for 10 days; Those that work or live in high risks settings must also isolate for 10 days.
- On January 3, the Province announced it was temporarily moving to Modified Step 2 of the Roadmap to Reopen, which includes:

- 
- Reduce indoor gatherings to 5 and outdoor gatherings to 10; Reduce outdoor organized activities to 10 people.
  - Limited capacity at weddings, funerals, and religious services.
  - Retail 50% capacity; Personal Care 50% capacity; Libraries 50% capacity.
  - Indoor dining closed.
  - Sport and recreation facilities closed, with exceptions for some high-level athletes.
  - Schools – remote learning from January 5<sup>th</sup> to January 17<sup>th</sup>.
  - Emergency Childcare for some workers.
  - These measures will continue until at least January 27<sup>th</sup>.
  - The City of Windsor’s Community Control Group continues to meet weekly.
  - The greatest risk to the City currently is staffing, with all areas having plans in place for the worst case scenario.
  - If the City experiences an emergency with staff in critical areas, they will work with WECHU to explore priority testing and/or alternative isolation requirements.
  - All areas are monitoring staffing and no critical shortages are reported at this time; Absenteeism rates vary; Some departments are seeing 5% while others are seeing 10% or more; Where possible staff are working from home; Recreation services have been amended and the City is following the latest guidance of the Province; Given the high rate of transmissibility, staffing challenges can arise quickly.
  - Only some staff are now eligible for PCR testing and all others must assume they are positive if symptomatic; they have lost some situational awareness due to limited PCR testing.
  - Capacity levels at hospitals fluctuates and the biggest threat to healthcare is staffing; the Province has put a pause on some medical procedures and services.
  - The City continues to support the vaccination effort.
    - They have redeployed a total of approximately 130 workers to assist on the floor registration, customer support, and support of clinical staff; on a daily basis, they have about 50 City staff on site.
  - City staff continue to operate the call center with WECHU and Windsor Regional Hospital staff; details of the call centre statistics are provided.
  - As a result of the temporary return to Step 2 and the availability of Emergency Childcare, Social Services have processed over 800 applications in a one-week period.
  - Social Services and Human Resources staff continue to respond to changes in guidelines and public health measures.
  - The City is seeing an increase in the number of intakes at the Isolation and Recovery Centre (IRC), and monitoring and testing at shelters continues.
  - Last week the number of guests at the IRC increased to over capacity, and it was determined that given the transmissibility of Omicron and the current rise in cases and the congregate settings that Temporary Foreign Workers live in, additional IRC capacity was urgently required; WECHU and partners determined an overall capacity of 350 to 400 rooms is required now and the City is working with its partners to secure contracts for a temporary second site.
  - Key partners in the effort are recognized as well as City Staff.

Decision Number: CR22/2022

Whereas, opioid-related morbidity and mortality have been increasing steadily in Windsor-Essex County over the past several years and are currently at the highest levels ever recorded in the region, and,

Whereas, the onset of the COVID-19 pandemic in Ontario in March 2020 have contributed to substantial increases in opioid-related ED visits, opioid and drug overdose-related Emergency Medical Services (EMS) calls, hospitalizations, and deaths, and,

Whereas, the majority of opioid and drug overdose cases that present in the emergency department resided in downtown Windsor, and,

Whereas, Consumption and Treatment Services (CTS) sites have been established across the province to address opioid overdose and opioid related mortality, and,

Whereas, the Windsor-Essex County Health Unit has completed a feasibility study indicating community support for a CTS, and,

Whereas, the Windsor-Essex County Health Unit has established a Stakeholder Advisory Committee for the creation of a CTS in the downtown core of the City of Windsor, and,

Whereas, the WECHU, in collaboration with partners involved in the WECOSS and the CTS Stakeholder Advisory Committee, has completed a series of comprehensive community consultations (2018-2021) that supported the local feasibility, need, and site-selection for establishing a local CTS site at 628 Goyeau Street in the City of Windsor, and,

### 18. QUESTION PERIOD

#### 18.3. CQ 1-2022

Moved by: Councillor Gill

Seconded by: Councillor Kaschak

Decision Number: CR26/2022

That the following Council Question by Councillor Gignac **BE APPROVED**, and that Administration **BE DIRECTED** to proceed with the necessary actions to respond to the Council Question in the form of a written report, consistent with Council's instructions, and in accordance with Section 17.1 of the Procedure By-law 98-2011:

CQ 1-2022:

#### **Assigned to City Engineer:**

Asks Public Works if adjustment to snow incident response would be more effective if salting of residential streets at least once to prevent ice forming. Intention is not to increase budget to include additional salting but perhaps redirecting multiple salting of arterials to direct 1 to residential streets.

Carried.
