Job Title: SIGNAL MAINTENANCE STAFF - 543125

Department: Operations

Union: C.U.P.E. Local 543

Work Location: Various

Position Status:

Rate of Pay:

Posting Period:

DUTIES AND RESPONSIBILITIES:

Reporting to the Supervisor of Traffic Signals, this position maintains, modifies, installs, troubleshoots and repairs city wide serial, Ethernet and wireless communication network for a signalized traffic control system, including modems, repeater sites, overhead and underground cable and communication cabinets. Programs and repairs microprocessor controllers, communication devices and associated electronic equipment to attain required timings and traffic control by reading electrical drawings, interpreting readings and indicators using various test equipment such as meters, oscilloscopes, communication test equipment, personal computers, laptops, etc. Assembles and installs intersection hardware while working at heights over 20 feet. Operates various sized trucks, trailers, boom lifting equipment, forklifts, concrete saws, generators, compressors, pumps, hand and power tools, and soldering apparatus. Coordinates with all appropriate authorities such as Windsor Police, Fire, ESA, and Enwin Power lines with regards to intersection installations, both temporary and permanent, and in emergency situations. Maintains daily entries of all activities in a log book for purposes of evidence in a court trial. Will be required to travel to various locations across the City, and work in all weather conditions. Maintains amiable relations with the public and fellow staff. Will perform Occupational Health & Safety duties as outlined in the Corporation's Health and Safety Program. Will perform other related duties as required.

QUALIFICATIONS:

- Must have a three (3) year Diploma in Electronics Technology from a Community College as well as one (1) additional year of post secondary education in courses required for an Electrician Certificate, or Ontario Ministry of Education equivalencies;
- Must have over five (5) years of experience comprising of four and a half (4.5) years of electrical experience plus six months (6) of experience using and repairing electronics;
- Must obtain and maintain as a condition of employment, a current valid and lawful Class 'D' Driver's Licence with a 'Z' endorsement in accordance with the Highway Traffic Act for the purpose of operating a City of Windsor vehicle, prior to completion of the probationary/confirmation period, and provide a driver's abstract as a condition of employment;
- When on call, must be available to respond to emergency situations in a timely manner;
- The ability to assemble, install, repair, maintain and modify electrical apparatus and traffic control devices as used by and under the control of Traffic Operations would be considered an asset;
- Experience in traffic signal controllers will be considered an asset;

•

WORKING CONDITIONS:
