CR188/2003

That in the case of lot severance applications to the Committee of Adjustment where there is no existing municipal tree in the abutting city right-of-way, or in the case of a lot severance where an existing tree must be removed for development purposes, the applicant be required to pay \$275.00 per lot, or per every 15m of frontage, for Forestry Services to plant a tree in the right-of-way at the front of the subject lot after lot development has occurred, or elsewhere in the City if a tree is not desired by the new property owner.

Carried.
