**(a) J & Y Home Care Services Inc. – Hospitality Food Service**

Xum Hua Jiang, Zhi Qiang Yu and Xin Chen Yu are present and available to answer questions.

C. Robertson provides an overview of this matter as follows:

- On May 4, 2017, Ms. Xun Hua Jiang made application on behalf of J&Y Home Services Inc. for a Hospitality Food Service licence.
- On May 30, 2017, zoning is approved by Werner Plackmann, Zoning Coordinator with the following note:
  - *“Permitted as Home Occupation and must comply with the following regulations*
  - *A home occupation within an accessory building garage or carport is prohibited.*
  - *One home occupation wholly within a dwelling unit is a permitted use subject to the following provisios:*
  - *The home occupation shall be carried out by a resident of the dwelling unit.*
  - *The Maximum gross floor area of the home occupation shall be 25.0 percent of the dwelling unit.*
  - *Any visible indication from the exterior of the dwelling unit that a home occupation is being carried on is prohibited except for a sign permitted by The Windsor Sign By-law.*
  - *The retail sale or wholesale of goods from the dwelling unit is prohibited except those goods produced by the home occupation.*
  - *External storage of materials, goods or equipment is prohibited except those items customarily used for housekeeping or personal recreational purposes.*
  - *Any home occupation which generates noise, odour, fumes, vibration, dust, traffic or parking which is evident outside the dwelling unit is prohibited.”*

- On August 21, 2017 Fire Prevention Officer Mike Coste attended the property and noted the home is a single family residential home with cooking upstairs and a gas stove in the lower level. The applicant stated it is a take-out business. They do not have any commercial cooking equipment and no fire suppression system.
- Administration recommends the Windsor Licensing Commission refuse to issue a Hospitality Food Service licence as they have not complied with the requirements to obtain an approval from Fire & Rescue Services.

Xin Chen Yu provides the following comments relating to the application for a Hospitality Food Service licence:

- Fire and Rescue Services advised, they would not approve this licence as the applicant would have to install a commercial grade kitchen with steel walls. However, it is noted the commercial grade kitchen would not be permitted use at this location.
- States they will no longer produce food that requires heat, only cold dishes.
- Neighbours have no issue with parking by the patrons.
- Successfully passed two health inspections by the Windsor Essex County Health Unit.
- Will be preparing food two hours a day in the basement.

C. Robertson adds if the commercial grade kitchen was installed, approval would be denied by the Zoning Department as the use would no longer be home occupation but would be a restaurant.

W. Plackmann advises “home occupation” refers to a small business and adds a house should look like a house not a business. He notes the only other option is to rezone the property to commercial which would be subject to appeals.

Councillor Borrelli expresses concern with potential health issues and risks to the patrons.

In response to a question asked by Councillor Borrelli regarding parking by the patrons, X. Chen Yu responds he can suggest the patrons park elsewhere and walk to his establishment. W. Plackmann adds that advising people to park on another street will create issues. He notes businesses are generally required to provide their own parking.

Moved by Councillor Elliott, seconded by Councillor Borrelli,  
**WLC5/2017** That the Windsor Licensing Commission **REFUSE TO ISSUE** a Hospitality Food Service licence to J&Y Home Care Services Inc. at 3610 Dougall Avenue, Windsor, Ontario N9E 1T4 for failure to comply with Fire & Rescue Services.
