Dear Sarah and Jonathon,

I am writing today to share with you the work that one of our young community members is doing in her neighbourhood, Kenilworth Estates, to help better the environment. I thought that you might be interested in reading about her work, and viewing her video.

The work that Ms. Chaker has done to better her neighbourhood, and to involve the local food bank, is commendable. I have let her know that I would be sharing this information with you as I believe it is important for our community youth to see how others are also making a difference.

Thank you for your time and attention to this matter. Please do not hesitate to contact me directly should you have any questions or concerns. All the best to you and the Council and please stay in touch!

Yours truly,

Brian Masse MP
Windsor West
