(Accessibility)

Access Funding Proposals are only available to projects internal to the Corporation. Funding will be on a one-time only basis except in rare circumstances.

Funding proposals may be submitted at any time. Proposals received later than the first Tuesday of the month will be reviewed by the Windsor Accessibility Advisory Committee at its regular meeting in the following month.

Instructions for completing this application:

- A) Complete Sections 1 and 2
 - B) Karen Kadour, Committee Co-ordinator at kkadour@city.windsor.on.ca or c/o Council and Customer Services, 350 City Hall Square.
 - C) WAAC will consider all proposals and may request attendance at a WAAC meeting for further discussions.
-

Section 1 Project Details

Date Submitted: June 9, 2014

Department: Community Development and Health

1) Description of Barrier Removal Project and how it promotes universal access to all persons with disabilities (include appropriate references to attitudinal, informational, physical, technological, architectural or policy barriers):

This includes purchase of a multi level ramp system to be utilized in conjunction with risers and staging currently in place at the WFCU Centre (Community Centre and Spectator Rink). Currently the facility does not offer ramp access to any of its staging systems, which is excluding some patrons from accessing our stage.

The WFCU Centre hosts a variety of community events in multiple spaces, including:

Spectator Rink – high school graduations, trade shows, consumer shows, hockey and basketball games, special guest speakers, comedy shows, concerts, large scale opening ceremonies for community events and other general public attended events,

**Windsor Accessibility Advisory Committee
Proposal for Funding from Capital Project 7035138
(Accessibility)**

Community Centre – variety of events including weddings, galas, meetings, trade shows, business events, conventions, guest speaking series

Adding this customized and multi-functional ramp system will make sure that all attendees will be able to participate in all elements of each event held within the facility. The ramp system includes options for various height levels including one foot and two foot risers, frequently used during guest speaking and wedding events held within the community centre, as well as three foot high stages that are used in the spectator bowl for graduations, trade shows and other events that generally have an attendance over 1,000 participants.

2) Provide a list of users and groups that will benefit from this barrier removal activity:

All promoters for concerts and events in the WFCU Centre including but not limited to Live Nation Canada, AEG Live, Jones Entertainment Group, IMG Canada, Invictus Entertainment Group, the Windsor Essex Catholic District School Board, the Greater Essex County District School Board.

In addition, the purchase of this equipment will impact any and all rentals that access the WFCU Centre Community Centre and associated spaces.

3) Identify all partners in this project:

City of Windsor, Global Spectrum Facility Management, Penn Elcom

4) Identify in kind and volunteer contributions:

N/A

5) Has this project been researched for best practices in creating accessibility?
(Explain why project is best choice to promote accessibility)

Yes No Comments:

6) Does the project meet or exceed Ontario Building Code or Windsor Facility Accessibility Design Standards (FADS) requirements? (Explain)

We currently do not have a ramp. This portable ramp will meet the Building Ratio of 1:12

7) Does the vendor/supplier/designer/contractor of this project support the principles of full accessibility for people with disabilities?

Windsor Accessibility Advisory Committee
Proposal for Funding from Capital Project 7035138
(Accessibility)

Yes No Comments:

8) Appropriate supporting Documents included: Letters of Support
Plans/drawings Cost Analysis Other (Explain) (Where a project is very
large approval may be obtained in stages eg: approval in principle, approval after plans
or drawings are available, final approval)

Staging estimate attached

9) What is the expected project completion date?

June 21, 2014 – prior to the high school graduation ceremonies

Section 2 Project Costs:

Department contribution	\$
Amount Requested from Accessibility Advisory Committee	\$16,642.07
Other Funding Sources (describe):	\$
