**SAC Meeting September 18, 2014.
Chair's Remarks.**

Thank-you for attending this quarterly meeting of the Windsor SAC. My apologies for the deferment of our scheduled meeting from Sept 3 to Sept 18, hopefully, the agenda and motions today positively reflects the advice provided to me by the Council Secretariat.

We are fast approaching the end of our proscribed four year mandate mirroring for the first time the term of Council. In this period we have maintained a remarkable focus on our major priority of promoting Windsor as an 'age-friendly community' within the framework provided by the WHO. Most notably in the period since our last meeting in June we met a two year timeline to submit our Age-Friendly Windsor Action Plan 2014 – 2017 to the WHO under the supporting signature of the Mayor.

The support of City Administration in meeting this tough deadline is acknowledged and our thanks to all those directly involved.

While our agenda will include a status report on the AFW project, we will look to the future to meeting to the best of our abilities the ten recommendations in the Action Plan which identifies SAC as the lead agency within the AFW Network.

Still on the AFW project, in July we had a productive and illuminating workshop with our colleagues in London. Their model, particularly the broader and more direct engagement of their Administration in the age-friendly process differs from ours in Windsor. Our AFC model relies comparatively more on our greater engagement with our AFW project "Network" of more than thirty seniors related organizations than on our City Administration.

We did have three informal meetings of SAC since June continuing our tradition of meeting monthly. These monthly meetings provide like our London workshop did more opportunity to focus on a single issue rather than the broader agenda of our quarterly meetings. My thanks to those SAC members who can attend these more informal sessions.

Today's meeting will need to address our 2014 budget which remains largely unspent though a number of commitments have been discussed over the year which will require several motions for approval to proceed with those expenses. Keep in mind that our commitments can be only realized on presentation of an invoice to Council Secretariat (via Karen Kadour, our council coordinator).

Similarly, we will need to move a motion of acknowledgement of our 2015 Budget for which a Sept 8 submission deadline was required.

As we have done each year SAC will also need to prepare and submit an Annual Report for 2014 within the next couple of months and I would look to your support in its drafting.

I look forward to your input and support for the October 1 International Day of the Elder Person, a UN and GOC supported initiative which we have been involved over the past couple of years with the local CARP Chapter and the National Pension Reform Committee. SAC requested and received a related "Proclamation" from the Mayor and Council as done previously. Some effort is being made to attract more media and public interest in the Oct 1 event on City Hall Square.

My thanks to all, especially Bruce Draper and Jeannette Ware-Mikhael, for their direct support to the Ontario 55+ Seniors Games in addition to our substantial SAC budget financial obligation, and in their professional capacity, our SAC colleagues, Cal Little and Pam Labute, for their organizing committee leadership. Special recognition and congratulations are also accorded our SAC member, Alex Gyemi, for his gold medal in bowling – well done to all of you.

Thank-you all for your diligence and support for SAC, hopefully we will have more meetings before our mandate officially expires on or about November 30, including setting a date for I hope our fourth and final annual quarterly meeting in 2014.

Respectively,

Larry Duffield, Chair,
Windsor Seniors Advisory Committee.
