

Are You Eligible for Charitable Gaming Licences?

The eligibility of your organization will be determined by the Gaming and Licensing Department you are applying to. Charitable registration with Revenue Canada or incorporation as a non-profit organization does **NOT** guarantee eligibility for lottery licensing. Eligibility must be determined prior to licensing. An eligibility review will be conducted once an organization completes and submits an 'Application for Lottery Licensing'.

Your organization may be eligible if it:

- has a purpose to provide charitable services to Ontario residents to:
 - relieve poverty
 - advance religion
 - advance education
 - benefit the community
- has carried out activities consistent with its charitable purpose for at least 1 year
- is located in Ontario
- is non-profit

Examples may include:

- hospitals
- service clubs
- youth activities or sports
- arts or culture

Organizations that only promote the private interests of their members do **NOT** qualify for gaming event licences. This may include, but is **NOT** limited to:

- adult recreation or sports
- individual sport teams
- unions or employee groups
- social clubs
- professional associations
- political, government, lobbying or advocacy groups.
