

December 6, 2024

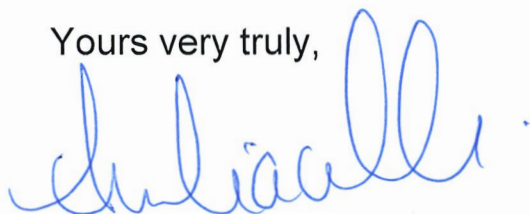

**TO THE MAYOR AND MEMBERS OF COUNCIL:**

The **regular meeting** of Council will be held on **Monday, December 9, 2024 at 10:00 o'clock a.m., in the Council Chambers, 350 City Hall Square.**

A special meeting of Council will be held on **Monday, December 9, 2024, immediately following the regular meeting of Council, in Room 139, 350 City Hall Square.** Council will at the special meeting adopt a resolution to authorize Council to meet in closed session, and the resolution shall contain the general nature of the matters to be considered in the closed session. The resolution must be adopted by a majority of Council present during the open special meeting before the meeting may be closed. An agenda for this meeting is enclosed under separate cover.

BY ORDER OF THE MAYOR.

Yours very truly,

Anna Ciacelli

Deputy Clerk

/bm

c.c. Chief Administrative Officer

## Consolidated City Council Meeting Agenda

## ORDER OF BUSINESS

**Item #      Item Description**  
**1.            ORDER OF BUSINESS**

**2.            CALL TO ORDER - Playing of the National Anthem**

**READING OF LAND ACKNOWLEDGEMENT**

We [I] would like to begin by acknowledging that the land on which we gather is the traditional territory of the Three Fires Confederacy of First Nations, which includes the Ojibwa, the Odawa, and the Potawatomi. The City of Windsor honours all First Nations, Inuit and Métis peoples and their valuable past and present contributions to this land.

14. **MOVE BACK INTO FORMAL SESSION**

15. **NOTICES OF MOTION**

Moved by: Councillor Mark McKenzie

Seconded by: Councillor \_\_\_\_\_

That council **SEND A LETTER** to the federal government to fix our bail system, and take immediate action by keeping repeat and violent offenders in jail while they wait for trial, so that repeat and violent offenders can't continue to harm our communities while out on bail.

Moved by: Councillor Kieran McKenzie

Seconded by: Councillor \_\_\_\_\_

That Given the significant challenges municipalities across Ontario including the City of Windsor, face in addressing Housing, Homelessness, Mental Health and Addiction in the communities we serve; and,

Recognizing the major obstacles faced by municipalities including Windsor to provide supportive housing and the resulting Homelessness and Encampment crisis in municipalities across Ontario; and,

Noting that the Auditor General of Ontario has recently concluded that the Government of Ontario's Opioid Strategy does not have efficient, effective or adequate processes in place to address the crisis, an analysis accepted by the Ontario Ministry of Health; and,

Given the comprehensive, robust, objective, inclusive and data-driven analysis undertaken by the Association of Municipalities of Ontario (AMO), representing over 400 municipalities across Ontario, on the full suite of issues cited above including the unprecedented proliferation of Encampments across the province of Ontario:

That Windsor City Council **ENDORSE** the AMO Policy Update on Encampments and the Opioid Crisis along with the supporting documents: Homeless Encampments in Ontario: A Municipal Perspective and The Opioid Crisis: A Municipal Perspective; and further,

That Council **CALLS UPON** the Government of Ontario **TO ADDRESS** the issues cited above by implementing the recommendation proposed by AMO in the documents referenced in this motion; and,

That Council **DIRECT** Administration to apprise through direct correspondence the Premier and all relevant Provincial Ministers, as well as, all local representatives elected

to Senior Levels of Government, the County of Essex and the Municipal Councils in Essex County of the passing of this motion.

## City Council

Monday November 25, 2024

Page 8 of 43

- III. That the application of Olivia Construction Homes Inc. for Draft Plan of Subdivision approval for Pt Lot 105, Concession 2, designated as PART 1, Plan 12R26347 [PIN 01360-0291 (LT)] and PART BLOCK 21 Plan 12M417 Windsor being PARTS 4, 5 & 6 Plan 12R27878 [PIN 01360-0301 (LT)], **BE APPROVED** subject to the following conditions:
- A. That the Draft Plan Approval shall lapse on November 25, 2027 (3 years from the date of approval);
  - B. That this approval applies to the draft plan of subdivision presented on attached Map No. SDN-003/24-1, prepared by VERHAEGEN Land Surveyors for Olivia Construction Homes Inc., showing 4 Blocks for townhome dwellings, 1 Block to be conveyed to the Corporation of the City of Windsor for the accommodation of existing municipal drain south of the subject land, 1 Block for Road Reserve, and two proposed road allowances (Street A and extension of Loon Street);
  - C. That the owner shall enter into a subdivision agreement with the Corporation of the City of Windsor for the proposed development on the subject lands;
  - D. That the owner shall submit for approval of the City Planner/Executive Director of Planning & Building a final draft M-Plan, which shall include the names of all road allowances within the plan, as approved by the Corporation.
  - E. That the subdivision agreement between the owner and the Corporation of the City of Windsor be registered on title and shall contain, among other matters, the following provisions:
    1. The owner shall include all items as set out in the Results of Consultation (attached hereto as Appendix D) with further amendments as required, all requirements under the General Provisions of the Plan of Subdivision Agreement for the Engineering Department, and other relevant matters set out in CR 233/98 (Standard Subdivision Agreement).
    2. The owner shall, prior to the issuance of a construction permit for any and all phases of the development, finalize an engineering analysis to identify stormwater quality and quantity measures as necessary to control any increase in flows in downstream watercourses, in accordance with the *Windsor-Essex Region Stormwater Management Standards Manual* and any other relevant municipal/provincial, standards or guidelines, in consultation, with the Essex Region Conservation Authority (ERCA), to the satisfaction of the City Engineer and Essex Region Conservation Authority.
    3. The Owner shall install the stormwater management measures, for each phase of the development, identified in the final engineering analysis completed, as part of the development for the site and undertake to implement the

recommendations contained therein, to the satisfaction of the City Engineer and the Essex Region Conservation Authority.

4. The owner shall, prior to the issuance of a construction permit, provide the Essex Region Conservation Authority a copy of the fully executed subdivision agreement between the Owner and the Municipality, containing provisions to carry out the recommendations of the final plans, reports, and requirements noted above in paragraphs III.E.2 & III.E.3, and obtain the necessary ERCA approvals for each phase or phases seeking final approval.
5. Prior to undertaking construction or site alteration activities, the owner shall obtain all necessary approvals from the Essex Region Conservation Authority, in accordance with Section 28 of the *Conservation Authorities Act*, any other legislation, and applicable conditions specified herein.
6. Notice is required in every agreement of purchase and sale for the units within Block 4, that the properties are subject to Section 28 approvals by ERCA under the *Conservation Authorities Act*. Additionally, the notice should specify that the rear portion of the lots with 8m plus the depth of the drain may not meet the minimum setback requirement for additional structures. The ERCA permit process will assess the feasibility of constructing buildings and structures in proximity to the regulated watercourse, Pillette Drain No. 1.
7. Right-of-Way - Prior to the issuance of a construction permit, the owner shall
  - a) Construct on all future municipal right-of-way, pavements, including curbs and gutters, driveway approaches and the necessary drainage facilities according to City of Windsor standard specifications, complete with a 20-meter right-of-way. Pavements may be 7.4 meters in width, as shown on Standard City Drawing AS-206C. The cul-de-sac pavements shall have a minimum radius of 9.5 meter. The owner further agrees that one (1) full winter shall elapse following the laying of base asphalt, prior to the laying of surface asphalt. All work to be to the satisfaction of the City Engineer.
  - b) Construct at the easterly limit of Street A a cul-de-sac bulb wide enough to accommodate a minimum boulevard width of 2.5m for utilities as stipulated by the City of Windsor Standard Drawing AS-206C, and the radius shall be large enough for garbage collection trucks and emergency vehicles to turn around in. All work to be to the satisfaction of the City Engineer.
8. Sidewalks – Prior to the issuance of a construction permit, the owner shall construct, at their entire expense and according to City of Windsor Standard Specifications, concrete sidewalks at the following locations, to the satisfaction of the City Engineer:

- 
- a) New Street A – along the north boulevard to Allyson Avenue
  - b) Loon Street – along the north boulevard between Allyson Avenue and Tourangeau Road
9. Private Storm Drainage Connection - The owner agrees that private storm drain connections from residential units shall not be provided, and further agrees that the proposed townhouses shall be constructed with slabs on grade and shall be drained on grade via splash-blocking.
10. Catch Basins – Prior to the issuance of a construction permit, the owner shall install two sets of catch basins on each of Street `A` and Loon Street, as a factor of safety, and install rear yard drain catch basins that shall outlet to shared rear-yard drainage piping, all to the satisfaction of the City Engineer.
11. Servicing Study – Prior to the issuance of a construction permit, the owner shall, at its own expense, retain a Consulting Engineer to provide a detailed servicing study report on the impact of the increased flow to the existing municipal sewer systems, satisfactory in content to the City Engineer. The study shall review the proposed impact and recommend mitigating measures and implementation of those measures.
12. Site Servicing Plans – The owner shall submit a site servicing plan for the subject lands to the satisfaction of the Chief Building Official, the City Engineer, and ERCA in regulated areas, prior to the issuance of any construction permits.
13. Servicing Charges – The owner shall pay owed servicing fees in the amount of \$11,557.70 + HST + an annual interest charge applied based on the Infrastructure Ontario 5-year borrowing rate plus 1%.
14. Conveyance Requirements - The owner shall, prior to the issuance of a construction permit, gratuitously convey to the Corporation of the City of Windsor
- i) Block 5 on Map No. SDN-003/24-1 for the municipal Pillette Drain No.1. This conveyance shall be approximately 4.7 meters;
  - ii) Block 6 (0.3m wide strip of land along the dead-end of Street A) on Map No. SDN-003/24-1, for land reserve purposes;
  - iii) A 6.0m wide easement along the southerly limit of Block 4 on Map No. SDN-003/24-1, for the maintenance and improvement of the Pillette No. 1 Drain. Should the municipal drain be abandoned, the easement would still be necessary for the maintenance of the municipal ditch; and all

conveyances shall be to the satisfaction of the City Engineer and the City Solicitor.

15. Drainage Engineering Report – The owner agrees that the subject site shall be serviced by the Pillette Drain No. 1, situated to the south of the property; and further agrees that any new storm sewer outlet connection to the drain shall be completed in accordance with City of Windsor Engineering Best Practice BP.1.3.2, which includes an Engineer’s Report, and any other requirements specified under the *Drainage Act*. Therefore, the owner shall retain, at its own expense, a Consulting Engineer to provide, prior to the issuance of a construction permit, a detailed Drainage Report in accordance with the *Drainage Act*, to the satisfaction of the City Engineer and the Essex Region Conservation Authority.
16. Climate Change considerations - The owner shall compensate at caliper-per-caliper rate any trees not able to be retained on the site, in addition to the standard payment for one new tree per unit requirement at the time of building permit, to the satisfaction of the City Forester as per the Schedule of Fees.
17. Tree Removal & Replacement - The owner shall pay to the Corporation, prior to the issuance of a construction permit, the sum of \$74,392.00 being tree replacement cost for the removal of trees with a total of 547 cm tree diameter, which requires replacement with a total of 110 new caliper trees.
18. Tree Protection Fencing - The owner shall install tree protection fence for Tree Root protection zones for each tree, prior to commencement of pre-grading activities, and shall further retain a Certified Arborist to inspect the tree protection fencing prior to and during construction to ensure that the fencing remains intact and in good repair throughout the stages of development.
19. Parkland Conveyance: The owner shall, prior to the issuance of a construction permit, pay cash-in-lieu of the 5% of lands to be developed, in accordance with By-law 12780, to the satisfaction of the Executive Director of Parks and the City Planner.
20. Archaeological Assessment - Prior to final Plan approval and prior to any additional land disturbances, the owner shall undertake a Stage 1 archaeological assessment and any further recommended assessments. The required assessment(s) shall be entered into the Ontario Public Register of Archaeological Reports to the satisfaction of the City of Windsor and the Ontario Ministry of Citizenship and Multiculturalism.
21. Prior to the issuance of a construction permit, the owner shall submit a final copy of the relevant archaeological reports mentioned above, in paragraph 20, and GIS study area to the City of Windsor.

22. The owner shall adhere to the recommended mitigation and avoidance measures in section 4.4 of the *Fisheries Act* Review prepared by MTE, dated May 14, 2024.
23. The owner shall:
  - i) Relocate, at their own cost, any existing Bell Canada facilities or easements found to be in conflict with the proposed development;
  - ii) Provide Bell Canada with servicing plans/CUP to confirm the provision of communication/telecommunication infrastructure needed to service the development. The owner shall be responsible for providing entrance/service duct(s) from Bell Canada's existing network infrastructure to service this development. In the event that no such network infrastructure exists, in accordance with the *Bell Canada Act*, the owner may be required to pay for the extension of such network infrastructure. If the owner elects not to pay for the above noted connection, Bell Canada may decide not to provide service to this development.

**NOTES TO DRAFT APPROVAL (File # SDN-003/24)**

1. *The applicant is directed to Section 51(39) of The Planning Act 1990 regarding appeal of any imposed conditions to the Local Planning Appeal Tribunal. Appeals are to be directed to the City Clerk of the City of Windsor.*
2. *It is the applicant's responsibility to fulfil the conditions of draft approval and to ensure that the required clearance letters are forwarded by the appropriate agencies to the City of Windsor, to the attention of the City Planner / Executive Director of Planning and Development, quoting the above-noted file number.*
3. *Required agreements with the Municipality will be prepared by the City Solicitor.*
4. *The applicant should consult with an Ontario Land Surveyor for this proposed plan concerning registration requirements relative to the Certification of Titles Act.*
5. *The final plan approved by the Corporation of the City of Windsor must be registered within thirty (30) days or the Corporation may withdraw its approval under Section 51(59) of The Planning Act 1990.*
6. *All plans of subdivision/condominium are to be prepared and presented in metric units and certified by the Ontario Land Surveyor that the final plan is in conformity to the approved zoning requirements.*

## City Council

Monday November 25, 2024

Page 15 of 43

Decision Number: CR496/2024 DHSC 675

- I. That part of the 5.90-metre-wide north/south alley located between Park Street West and Wyandotte Street West, namely south of Lot 27, Plan 281, and shown on Drawing No. CC-1857 (attached hereto as Appendix "A"), and hereinafter referred to as the "subject alley", **BE ASSUMED** for subsequent closure;
  
- II. That the subject alley **BE CLOSED AND CONVEYED** in as is condition to the owner of 170 Wyandotte Street West, 564 Victoria Avenue and 569 Pelissier Street, and as necessary, in a manner deemed appropriate by the City Planner, subject to the following conditions being satisfied by the owner/applicant at their sole expense:
  - a. Removal and/or relocation of Bell Canada's overhead telecommunications infrastructure from the subject alley, in coordination with and to the satisfaction of Bell Canada and the City Engineer.
  - b. Removal and/or relocation of ENWIN Utilities Ltd.'s underground high voltage conductors, and overhead high-voltage power lines and utility pole with guy wire and anchor from the subject alley, in coordination with and to the satisfaction of ENWIN Utilities Ltd. and the City Engineer.
  - c. Removal and/or relocation of ENWIN Utilities Ltd.'s utility pole and guy wires and anchors from that part of the north/south alley to remain open, across from the property known municipally as 563 and 567 Pelissier Street, legally described as Lot 27, Plan 281, in coordination with and to the satisfaction of ENWIN Utilities Ltd. and the City Engineer.
  - d. Removal and/or relocation of Telus Communications Inc.' overhead and underground telecommunications infrastructure from the subject alley, in coordination with and to the satisfaction of Telus Communications Inc. and the City Engineer.
  - e. Construction of a new east/west alley over and along Lot 26, Plan 281, constituting the north half of the property known municipally as 564 Victoria Avenue, legally described as Lots 26 and 27, Plan 281, which shall connect the remaining part of the north/south alley to the Victoria Avenue right-of-way, as shown on Drawing No. CC-1857, and hereinafter referred to as the "east/west alley", in coordination with and to the satisfaction of the City Engineer.
  - f. Obtain necessary permits for and construct new driveway approach off Victoria Avenue for the east/west alley in coordination with and to the satisfaction of the City Engineer.
  - g. Obtain necessary permits for and complete any required modifications to the existing drainage within the part of the north/south alley to remain open to accommodate the east/west alley in coordination with and to the satisfaction of the City Engineer.
  - h. Obtain necessary permits to remove the old driveway approach on Victoria Avenue and restore the redundant curb cut and boulevard to City Standards and to the satisfaction of the City Engineer.

### 8.2. Construction of Bus Bay at Monseigneur Jean Noel Elementary Catholic School (3225 California Avenue) - Cost Sharing - Conseil Scolaire Catholique Providence - Ward 1 (C 135/2024)

#### Diane Letarte, Property Owner, CSC Providence

Diane Letarte, Property Owner, CSC Providence, appears before City Council regarding the administrative report dated October 24, 2024, entitled “Construction of Bus Bay at Monseigneur Jean Noel Elementary Catholic School (3225 California Avenue) - Cost Sharing - Conseil Scolaire Catholique Providence - Ward 1” and is available for questions.

Moved by: Councillor Jo-Anne Gignac

Seconded by: Councillor Fred Francis

Decision Number: CR505/2024

- I. That Council **APPROVE** the construction of a bus bay on private property at Monseigneur Jean Noel Elementary Catholic School (3225 California Avenue) at an estimated cost of \$480,000 excluding HST (final costs to be based on actual construction costs) to be funded through Project 7119001 – Bus Bay Program; and further,
- II. That the Chief Administrative Officer and City Clerk **BE AUTHORIZED** to sign a cost sharing agreement with Conseil Scolaire Catholique Providence (the “School Board”, for the construction of a school bus bay at 3225 California Avenue, satisfactory in financial content to the City Treasurer, in legal form to the City Solicitor, and in technical content to the City Engineer with the following terms:
  - a. The City shall construct a bus bay on private property at 3225 California Avenue in accordance with the Lengthened Option design attached as Appendix B;
  - b. The City agrees to fund an estimated \$195,000 excluding HST (final to be based on actual construction costs) representing 50% of the total construction cost of the bus bay based on the Original Option design (attached as Appendix A) plus the 100% of costs of engineering and administration for the Lengthened Option; and
  - c. The School Board agrees to pay to the Corporation of the City of Windsor an estimated \$285,000 (final payment to be based on actual unit pricing received through a public tender in accordance with Purchasing by-law 93-2012) representative of the School Board’s share of the construction costs less 50% of the total construction costs (excluding engineering and administration) for the Original Option design. Timing for the payment to be as follows:
    - i. Payment in full of the above based on actual unit pricing following closing of the tender for the construction of the subject bus bay and prior to the commencement of construction;
    - ii. Upon Substantial Completion of the bus bay construction, any outstanding payment for additional and/or unforeseen costs incurred above and beyond c.i. above, conditional upon such extra costs being agreed to in writing by the School Board prior to the extra costs being incurred.

- II. That City Council **DIRECT** Administration to **MOVE FORWARD** with Option 1: Floating Fountain design, outlined in the body of this report; and further,
- III. Whereas on February 2, 2024, the 2024 Capital Budget was deemed approved via Mayoral Decision MD05-2024 which includes a total \$10,501,220 being allocated for this project, therefore the City Treasurer **BE DIRECTED TO** pre-commit funding previously approved in principle from PFO-002-19 - Fountain Restoration and Repairs as follows:
  - \$624,046, \$363,522, and \$500,000, respectively, of 2025, 2026 and 2027 Pay-As-You-Go (Fund 169) funding
  - \$4,454,250 of 2026 Canada Community-Building Fund (Fund 176) funding
  - \$1,250,000 of 2025 Tourism Development Investment Infrastructure (Fund 214) funding
  - \$1,000,000, \$192,000, and \$160,000, respectively, of 2025, 2026 and 2027 Service Sustainability (Fund 221) funding; and further,
- IV. That City Council **PRE-APPROVE** and **AWARD** any procurement(s) necessary that are related to the above recommendation, provided that the procurement(s) are within approved budget amounts, pursuant to the Purchasing By-Law 93-2012 and amendment thereto, satisfactory in legal content to the City Solicitor, in financial content to the City Treasurer and in technical content to the Executive Director of Parks, Recreation and Facilities and the City Engineer; and further,
- V. That the Purchasing Manager **BE AUTHORIZED** to issue Purchase Orders as may be required to effect the recommendation noted above, subject to all specification being satisfactory in financial content to the City Treasurer, and in technical content to the Executive Director of Parks, Recreation and Facilities and the City Engineer; and further,
- VI. That Administration **BE AUTHORIZED** to take any other steps as may be required to bring effect to these resolutions, and that the Chief Administrative Officer and City Clerk **BE AUTHORIZED** to execute any required documentation/agreement(s) for that purpose, satisfactory in legal content to the City Solicitor, in financial content to the City Treasurer and technical content to the Executive Director of Parks, Recreation and Facilities and the City Engineer; and further,
- VII. That the Chief Administrative Officer and City Clerk **BE AUTHORIZED** to execute any amendment(s) as may be required, provided that the amendment(s) are within approved budget amounts, satisfactory in legal content to the City Solicitor, in financial content to the City Treasurer and technical content to the Executive Director of Parks, Recreation and Facilities and the City Engineer; and further,
- VIII. That Administration **BE AUTHORIZED** to use available funds within the project budget for any amendment(s) or change requirement(s)/directive(s) and additional documents relating to executed agreement(s), pursuant to the Purchasing By-Law 93-2012 and amendments thereto, satisfactory in legal content to the City Solicitor, in financial content to the City Treasurer, and in technical content to the Executive Director of Parks, Recreation and Facilities and the City Engineer; and,

  - 6) By-laws given first and second readings as presented
- Carried.

## 15. NOTICES OF MOTION

Moved by: Councillor Renaldo Agostino  
Seconded by: Councillor Jo-Anne Gignac

That consideration of the following Notice of Motion introduced by Councillor Kieran McKenzie at the November 25, 2024, Council meeting **BE DEFERRED** to the January 13, 2025, meeting of Council to allow for all members of Council to **BE PROVIDED** with a copy of Bill 212 for their review prior to consideration:

Moved by: Councillor Kieran McKenzie  
Seconded by: Councillor Fabio Costante

That given the need for the City of Windsor to have autonomy to create a transportation network that meets the needs of our community; and,

Since unwarranted meddling and unnecessary oversight from Bureaucrats and Politicians at Queen's Park in developing and implementing transportation infrastructure at the municipal level, during a period of unprecedented local growth increases red tape causing administrative delays and adds financial burden reducing municipal capacity to address other pressing issues in our community; and,  
Recognizing that the City, its residents, administrators and locally elected officials understand our community, its needs, its culture and strategic direction far better than people working in Queen's Park and must therefore must continue to be empowered to make decisions that respond to local needs and priorities; and,

Understanding that Active Transportation infrastructure has the dual benefit of reducing traffic congestion and improving road safety for drivers, pedestrians and cyclists alike;

That Council direct Administration, for the reasons cited above, to express to the Government of Ontario, on its behalf, its opposition to the measures outlined in Bill 212, the so-called *Reducing Gridlock and Saving You Time Act* with a specific emphasis on any measure that would curtail Municipal Authority to design and implement transportation infrastructure within the City of Windsor.

Carried.

Councillors Kieran McKenzie, Fabio Costante and Fred Francis voting nay.

Clerk's File: ST2024

Moved by: Councillor Renaldo Agostino  
Seconded by: Councillor Angelo Marignani

Decision Number: CR508/2024

That Parking By-Law 9023 **BE AMENDED** for Lots 16, 5, and 34 as follows:

1. Removal of 3-hour maximum parking time limit;
2. Removal of 6pm to midnight flat fee replacing with per hour parking fee; and,

That the City Solicitor **BE DIRECTED** to prepare the necessary documents to amend the Parking By-Law 9023.

Carried.

Clerk's File: ST2024

Councillor Kieran McKenzie gives notice of his intent to bring forward a notice of motion at December 9, 2024 meeting of Council related to the not withstanding clause, asking Council to take a position on measures to address housing, homelessness, addiction and mental health policy tools that could potentially violate the Charter of Rights and Freedoms.

## **16. THIRD AND FINAL READING OF THE BY-LAWS**

Moved by: Councillor Ed Sleiman

Seconded by: Councillor Renaldo Agostino

That the By-laws No. 163-2024 through 173-2024 having been read a first and second time be now read a third time and finally passed and that the Mayor and Clerk **BE AUTHORIZED** to sign and seal the same notwithstanding any contrary provision of the Council.

Carried.

## City Council

Monday November 25, 2024

Page 30 of 43

That the following Council Question by Councillor Renaldo Agostino **BE APPROVED**, and that Administration **BE DIRECTED** to proceed with the necessary actions to respond to the Council Question in the form of a written report, consistent with Council's instructions, and in accordance with Section 17.1 of the Procedure By-law 98-2011, as amended:

CQ 48-2024:

**Assigned to: Commissioner, Community & Corporate Services**

Tenants have been displaced from the Westcourt building for 5 years since it suffered a fire. Asks that administration report back on the status of building occupancy and any litigation, and further, any efforts that the city can enforce through the use of the vacant home tax to discourage prolonged vacancy in these circumstances

Carried.

Clerk's File: ACOQ2024

### 18.4. CQ 49-2024

Moved by: Councillor Jo-Anne Gignac

Seconded by: Councillor Gary Kaschak

Decision Number: CR511/2024

That the following Council Question by Councillor Fred Francis **BE APPROVED**, and that Administration **BE DIRECTED** to proceed with the necessary actions to respond to the Council Question in the form of a written report, consistent with Council's instructions, and in accordance with Section 17.1 of the Procedure By-law 98-2011, as amended:

CQ 49-2024:

**Assigned to: Commissioner, Infrastructure Services**

Asks that Administration please provide a report pertaining to the appropriate distance between signalized street light crossings in the city of Windsor, including the stretch of roadway on Dougall Avenue from the Walmart entrance to Cabana Road.

Carried.

Clerk's File: ACOQ2024 & ST2024

### 18.5. CQ 50-2024

Moved by: Councillor Jo-Anne Gignac

Seconded by: Councillor Gary Kaschak

Decision Number: CR512/2024

That the following Council Question by Councillor Angelo Marignani **BE APPROVED**, and that Administration **BE DIRECTED** to proceed with the necessary actions to respond to the Council Question in the form of a written report, consistent with Council's instructions, and in accordance with Section 17.1 of the Procedure By-law 98-2011, as amended:

CQ 50-2024:

**Assigned to: Commissioner, Infrastructure Services**

Asks that Administration look at pedestrian crosswalks that currently use the flashing yellow light system and switching them over to a regular traffic signal light that is only activated when the pedestrian presses the button. The two locations that I brought up were at the intersection of Rosebriar and Forest Glade Dr. I also looked at the report to come back with information about a similar setup of pedestrian activated crosswalks regular traffic signal light at the Banwell and Firgrove intersection.

Carried.

Clerk's File: ACOQ2024 & ST2024

**18.6. CQ 50-2024**

Moved by: Councillor Jo-Anne Gignac  
Seconded by: Councillor Gary Kaschak

Decision Number: CR513/2024

That the following Council Question by Councillor Mark McKenzie **BE APPROVED**, and that Administration **BE DIRECTED** to proceed with the necessary actions to respond to the Council Question in the form of a written report, consistent with Council's instructions, and in accordance with Section 17.1 of the Procedure By-law 98-2011, as amended:

CQ 51-2024:

**Assigned to: Commissioner, Infrastructure Services**

Asks that Administration report back on replacing the pedestrian crossing (PXO) at Wyandotte and Chilver road with a lighted crossing that only activates when pedestrians push the button. (similar to Parent & Ellis)

Carried.

Clerk's File: ACOQ2024 & ST2024

### Declarations of Pecuniary Interest:

None declared.

Your Committee submits the following recommendation:

(1) That Donna Mayne **BE APPOINTED** to the ***Community Public Art Working Group*** to fill the vacancy of Brian Brown, resigned, for the period expiring November 14, 2026 or until successors are appointed.

(2) That Sam Sinjari **BE APPOINTED** to the ***Windsor Licensing Commission*** to fill the vacancy of Jayme Lesperance, resigned for the period expiring November 14, 2026 or until successors are appointed.

MAYOR

CITY CLERK

**Subject: Red Light Camera Program Budget and Road Safety Initiatives  
- City Wide**

**Reference:**

Date to Council: December 9, 2024  
Author: Rania Toufeili  
Executive Initiatives Coordinator  
519-255-6100 ext. 6479  
rtoufeili@citywindsor.ca  
CAO Office  
Report Date: 12/4/2024  
Clerk's File #: ST/13765

To: Mayor and Members of City Council

**Recommendation:**

**THAT** the report of the Executive Initiatives Coordinator dated December 4, 2024 entitled "Red Light Camera Program Budget and Road Safety Initiatives" **BE RECEIVED** for information.

**Executive Summary:**

N/A

**Background:**

At its June 10, 2024, meeting, City Council provided Administration with the following direction:

*That Administration BE REQUESTED to report back prior to the end of 2024 related to the budget impacts as it relates to redirecting funds of the net profits from the City's red light camera program to specific speed calming and traffic calming initiatives.*

Furthermore, City Council also voted to increase the number of red light cameras (RLC) across the City of Windsor, bringing the total number of cameras to 20. There are currently 10 active cameras across the city. Administration is working with Windsor Police Services to determine where the 10 new cameras will be installed, which are anticipated to be active in April 2025.

**Discussion:**

A 2025 budget issue is currently being proposed for consideration regarding the City's Red Light Camera program, which will be presented as part of the release of the 2025 Budget. An overview of the Administrative recommendation is provided in this Council report.

The City anticipates an increase in revenue from the Red Light Camera program based on the addition of 10 new cameras. Furthermore, the City will no longer be sharing the program revenue with the other municipalities within Essex County once plans are complete to move to a new Administrative Penalty system.

A breakdown of estimated revenue and expenses is provided under Financial Matters.

**Risk Analysis:**

No critical or significant risks are associated with the Administrative recommendations in this report.

**Climate Change Risks**

**Climate Change Mitigation:**

N/A

**Climate Change Adaptation:**

N/A

**Financial Matters:**

Based on an additional 10 cameras and no longer sharing the RLC revenue with the County, Administration is anticipating gross annual revenue of approximately \$3,000,000. On a net basis, after taking into consideration expenditures of \$1,261,659, the City anticipates receiving a net revenue of \$1,738,341. Included in the estimated expenditures is one additional staff member to support the increased volume of transactions as well as an estimated transfer of \$241,842 to Transportation Planning to cover direct costs associated with traffic calming, speed management and road safety initiatives.

In recognition of current budget pressures, Administration is recommending that on an annual basis the anticipated net revenue from RLC be allocated equally with 50% being allocated as a transfer to a reserve and the remaining 50% directed to offset existing traffic planning/safety related operating costs currently funded from the property tax levy. That is, for 2025, \$869,171 will be utilized to offset annual operating costs including other indirect costs associated with traffic and road safety which are funded through the tax levy. The remaining \$869,171 would be dedicated to a newly created reserve which will be utilized to support expenditures that are related to traffic and road safety improvements.

The proposed budget adjustment does not however, factor in annualized revenue which will not materialize in 2025 as it is anticipated that the new RLC's will not be in place until approximately April. Therefore, one-time dollars of \$400,000 may be required to bridge the net revenue on a one-time basis to the annualized amounts.

Administration will continue to monitor the accumulated funding in the reserve with the intent that additional resourcing for traffic calming, speed management and road safety becomes budget neutral as the intent of the funding is for these initiatives.

**Consultations:**

Dana Paladino – Senior Executive Director of Corporate Services

**Conclusion:**

Administration has reviewed the financial impacts of the RLC program and has developed a plan that addresses both annual operating costs and future traffic and road safety planning and development.

**Subject: Growing Canada's Community Canopies (GCCC) Supporting Partner Application with the Downtown Windsor Business Improvement Association (DWBIA)**

**Reference:**

Date to Council: December 9, 2024

Author: John Aquino

Asset Coordinator

jaquino@citywindsor.ca

519-255-6100 ext. 6667

Report Date: November 29, 2024

Clerk's File #: GF/14814

To: Mayor and Members of City Council

**Recommendation:**

- I. That City Council **SUPPORT** the Downtown Windsor Business Improvement Association's (DWBIA) application to the Federation of Canadian Municipalities' Growing Canada's Community Canopies (FCM GCCC) grant by providing the following resolution:

*Whereas, The Corporation of the City of Windsor (the "City of Windsor") has the following interest: opportunity to expand tree canopy and restore tree plots, grates and soil cells in high-traffic zones in the DWBIA; and*

*Whereas, the DWBIA is undertaking Roots of Renewal: Transforming Downtown Windsor's Urban Canopy;*

*Be it resolved that City Council acknowledges that the DWBIA is applying for a funding opportunity from the FCM GCCC initiative for Roots of Renewal: Transforming Downtown Windsor's Urban Canopy, in partnership with the City of Windsor.*

*City Council also recognizes that the lifetime contribution from the FCM GCCC initiative will not exceed \$10 million for tree planting within its municipality, inclusive of a maximum contribution of \$1 million for infrastructure activity costs, and that if approved this project will be counted towards that limit.*

- II. THAT the Chief Administrative Officer **BE AUTHORIZED** to issue a letter of support to the DWBIA for the submission of their application.

- III. THAT should the DWBIA initial application to the FCM GCCC fund be successful, that the DWBIA **BE DIRECTED** to work with the grant provider, in consultation with the Executive Director of Parks, Recreation and Facilities and Executive Director of Operations, to confirm information provided in the funding application.
- IV. THAT the Chief Administrative Officer and City Clerk **BE AUTHORIZED** to sign an agreement with the DWBIA to provide in-kind support to an upset limit of \$50,000 toward the project, satisfactory in technical content to the Executive Director of Parks, Recreation and Facilities and Executive Director of Operations, in form to the City Solicitor and in financial content to the City Treasurer.
- V. THAT the Chief Administrative Officer and City Clerk **BE AUTHORIZED** to sign any agreements or documents arising as a result of the DWBIA's successful application to the GCCC fund, satisfactory in technical content to the Executive Director of Parks, Recreation and Facilities, in form to the City Solicitor and in financial content to the City Treasurer.

**Executive Summary:**

N/A

**Background:**

The Federation of Canadian Municipalities (FCM) administers a Green Municipal Fund (GMF). Recently a new tree planting initiative, Growing Canada's Community Canopies (GCCC), was released under the Green Municipal Fund. This initiative funds planting the right type of trees in the right places so that communities across Canada can grow, manage and protect their tree canopies.

Planting trees is essential to improving the quality of life in communities. Vibrant community canopies help fight climate change, provide shade thereby naturally reducing temperatures, mitigate flooding, increase biodiversity, and support health and human wellbeing. GMF's GCCC is a \$291M initiative that will support planting at least 1.2 million trees across the country. To qualify for tree planting funding, projects must contribute to the planting of new trees with municipal government involvement and accountability. These tree planting initiatives benefit communities in diverse ways by supporting environmental, economic and social objectives.

To meet local needs, GMF will fund a combination of tree planting, including:

- Community-wide urban planting;
- Forest restoration in naturalized areas; and
- Localized planting projects.

The initiative is designed to encourage local climate action while providing equitable access to trees across communities, ensuring tree survivability, and creating more quality green jobs by 2031. By providing upskilling opportunities and addressing staff capacity gaps, GCCC will enable local governments and communities to increase their tree canopy ambitions.

GCCC is funded through the Government of Canada's 2 Billion Trees program and is a further expansion of GMF's mandate to focus on nature-based climate solutions.

Non-municipal applicants are required to partner with a municipality in order to submit an application to the GCCC grant. Non-municipal applicants must also submit evidence of municipal support through a Council Resolution stating municipal partnership on the project and confirmation of organizational support from the CEO or CFO.

Through this program, GMF can contribute up a maximum of \$10 million in cumulative funding, including a maximum lifetime contribution of \$1 million in infrastructure activity costs over the lifetime of the program, to cover 50% of eligible costs of the project. The program will begin in the 2025 tree planting season, with a project completion date of two years of receiving funding approval, which is when all eligible expenditures must be incurred by. An additional year will also be allocated for monitoring and maintenance activities.

### **Discussion:**

In June 2024, the City of Windsor submitted an application to the GCCC program requesting funding of \$1,262,350 toward enhancing the existing tree planting plan by doubling the number of large caliber trees planted city-wide to 5,000 trees per year for the next two years starting in Spring 2025 (CAO 132/2024). This application is currently in the final stages of review by FCM. An urban forest coach has been assigned to the City's application and a meeting is currently scheduled with the coach and project leads to discuss the final aspects of the application. Once this meeting has been conducted and all final comments have been addressed, FCM will provide a final funding decision.

On November 25, 2024, the City of Windsor was made aware that the DWBIA had submitted an application to the GCCC program on October 15, 2024 for their project titled Roots of Renewal: Transforming Downtown Windsor's Urban Canopy. As part of submitting an application to the GCCC program, a non-municipal applicant is required to partner with a municipality and submit evidence of municipal support through a Council Resolution. That Resolution must acknowledge that the partner organization is submitting the application in partnership with the municipality, and that funding allocated to partners for planting within the boundaries of a municipality count towards that municipality's lifetime contribution from the GCCC initiative. The municipality must also provide a letter of support, describing their organizational commitment to, and financial support for, the project and funding application to GMF.

The focus of the DWBIA's submission are all trees in need of replanting located within the boundaries of the DWBIA. These trees are located within the City's right-of-way and will once planted become the responsibility of the City's Forestry division to maintain. As part of the application, the DWBIA proposes to plant 80 trees and conduct necessary adjustments to underground utilities and soil cells, in collaboration with Forestry and Public Works.

The application indicates that the City will agree to provide the following in-kind services in support of the proposed tree planting project:

- Partner in sourcing tree species and necessary planning materials.
- Coordinate for utility locates and infrastructure adjustments.
- Track tree growth and address any issues such as disease or environmental stress.
- Oversee long-term maintenance of the newly planted trees, including watering, pruning, soil management, pest control, and routine inspection to monitor tree health, ensuring alignment with Windsor's broader urban greening efforts.

Once planted, the City will be required to assume the trees into inventory and add them to the annual tree maintenance program, ensuring the trees establish healthy root systems. The responsibility for replanting will also fall to City Forestry Staff.

The total cost of the proposed project is \$750,000 with the DWBIA seeking grant funding of \$375,000 from the GCCC program. The balance of the project costs will be provided through in-kind services provided by the City of Windsor totalling \$50,000 and cash contributions from the DWBIA of \$325,000. While the grant does not require that funding be secured prior to application, the DWBIA matching contribution of \$325,000 will need to be secured should the project be approved. It has been noted by the DWBIA that that matching contribution funds are expected to be raised through future donations, sponsorships and other grant opportunities. There is a risk that, despite municipal support for this project, the grant provider will not support the DWBIA in moving forward in their application process as secured funding is critical for project success. Further, should future grant funding or sponsorship opportunities not materialize as quickly as anticipated, funding may not be in place to allow for the planned project to start in Spring 2025, as outlined in the project proposal. The DWBIA has indicated that should the matching funding not materialize, the proposed project will not be able to move forward.

The DWBIA proposal also identifies a significant component of project work as 'infrastructure', which has funding capped at \$1M per municipality through the lifetime of the GCCC initiative. It is recommended that, through discussion with the grant provider, the DWBIA be requested to review the allocation of costs within program categories to ensure they have been reported appropriately so that future funding opportunities under this grant are able to access infrastructure funds within the capping limits, as appropriate.

It should also be noted that the application highlights a number of services to be provided by the municipality in support of this project. These services have been estimated at \$50,000 and will represent an in-kind contribution from the City. The Forestry division has indicated that their support will include the provision of advice as it relates to species selection, planting and maintenance. With respect to the infrastructure component of the project, the expected level of support that Public Works may be asked to provide will still need to be assessed. As there is currently no agreement in place to support the provision and scope of the in-kind services it is recommended that, should the application be supported, a formalized agreement be developed to ensure that the services to be provided are clearly defined.

Administration further recommends that that Forestry and Public Works Operations divisions work with the DWBIA to also confirm information provided in the funding application as it relates to the City's role supporting this project.

### **Risk Analysis:**

There is little risk of jeopardizing the City's application to the GCCC program by supporting the DWBIA application. The City's application is for city-wide tree planting with the DWBIA application focusing solely on the BIA area. More than one application may be submitted for funding within the same municipality, subject to the tree planting locations being different and the lifetime funding maximum not being exceeded. Clarification may need to be provided to the grant provider in order to confirm that the proposed tree planting locations of the DWBIA are not the same as those proposed by the City.

There is a low risk that should both grant submissions be successful that the City's Forestry division will not be able to support the City's requirements for each submission. The City Forester has confirmed that the Forestry division does have the current resources required available to support both.

### **Climate Change Risks**

#### **Climate Change Mitigation:**

There is no climate change mitigation risk associated with the application or the planting of trees. The "average" tree in Canada will sequester above 200kg of carbon over an 80-year period in an urban environment.

#### **Climate Change Adaptation:**

Trees are an essential component of the City's 2020 Climate Change Adaptation Plan, especially to achieve Objective 5: Protect Biodiversity and Enhance Ecosystem Functions. Trees provide storm water retention, thermal comfort, air quality and biodiversity services that enhance a community's resiliency to climate change.

### **Financial Matters:**

The DWBIA project application has identified in-kind contributions of \$50,000 from the City of Windsor. It is expected that the professional services in support of the DWBIA's submission can be accommodated by the existing staff and material resources available within the Forestry division as it relates to tree selection, planting, maintenance and monitoring. In addition, after planting, the Forestry division will be responsible to ensure the trees are properly maintained to ensure survivability. This will include ensuring watering, pruning and pest management activities are undertaken. The services required of the Public Works department will need to be further assessed and could result in a need for additional resource support.

As previously noted there is currently no agreement in place to support the provision and scope of the in-kind services therefore it is recommended that, should the

application be supported, further discussion take place and that a formalized agreement be developed to ensure that the services to be provided are clearly defined and quantified.

**Consultations:**

Debi Croucher - Executive Director, Downtown Windsor BIA

Joshua Meloche – Senior Legal Counsel

Yemi Adeyeye – City Forester/Manager, Forestry & Natural Areas

Mike Mazza – Maintenance Supervisor

Roberta Harrison – Coordinator, Maintenance

**Conclusion:**

Application by the DWBIA to the FCM GCCC fund will provide for the addition of 80 trees to the City’s tree inventory, increasing canopy cover and supporting Windsor’s urban greening efforts.

Report Date: 12/4/2024  
Clerk's File #: MD/14771

**To:** Mayor and Members of City Council

**Recommendation:**

**THAT** City Council **ENDORSE** the recommended temporary emergency shelter winter initiatives proposed in this report provided all expenses can be funded under the Reaching Home incremental funding allocation for the 2024 – 2025 fiscal year; and further,

**THAT** City Council **RECEIVE** this report in response to an amendment made on a previous report, *Response to CQ 19-2024 Reaching Home Funding and Warming Bus* (S127/2204, CR456/2024) in which Administration was directed to approach local philanthropy groups to determine whether any potential funding partnerships can be explored to operate the Warming Bus again in the winter of 2024 – 2025.

**Executive Summary:**

N/A

**Background:**

In November 2023, the City of Windsor received a one-time Winter and Unsheltered funding allocation of approximately \$1.1 million under the federal Reaching Home

program. This allowed Administration to provide funding for the following temporary winter initiatives:

- Downtown Mission, overnight warming centre (38 spaces)
- Welcome Centre Shelter for Women and Families, overnight warming centre (15 spaces)
- Salvation Army Centre of Hope, overnight warming centre (12 spaces)
- Essex County Homelessness Hub, overnight warming centre (9 spaces)
- Homelessness and Housing Help Hub (H4), closing hours extended from 6:00pm to 11:30pm (40 spaces)
- Warming Bus (18 spaces), travelled in the downtown core and other areas of Windsor to provide people with another option to get out of the cold, connect with support staff, and be transported to warming centres. The above programs had varying start and end dates with the earliest being December 10, 2023, and the last one closing April 30, 2024.

Since last winter two of these programs have continued to operate beyond the winter months, including:

- Downtown Mission, overnight warming centre which continues to operate as a year-round overnight drop-in centre, offering 38 additional spaces. This program is funded through the provincial Homelessness Prevention Program (HPP) and City of Windsor municipal dollars. From May 1 to October 31, 2024, there have been a total of 1,820 visits, averaging about 10 visits per day.
- H4 hours of operation have been extended to 12:00am for the period of May to December 2024 through the support of City Council as part of the Strengthen the Core Plan (C 49/2024). Administration will be bringing forward a budget request in 2025, to annualize the funding required to allow H4 to remain open until 12:00am year-round.

From May 1 to October 31, 2024, there have been a total of 1,449 unique people who attended H4 with almost 44,000 visits during all hours of operation (i.e. 8:00am to 12:00am). When looking specifically at the extended hours of 6:00pm to 12:00am, there were 947 unique people attending H4 (65% of total) with just over 15,000 visits (34%). The number of people attending during the extended hours is not a subset of the total number of unique people for all hours of operation. In other words, the number of unique people during the extended hours may also have visited H4 during day-time operating hours of 8:00am to 6:00pm.

Additionally, the expansion of hours at the H4 has also allowed for Windsor Shelter Health to expand their hours of operation and be present during non-traditional hours (i.e. 6:00 pm - 12:00 am) which assists to triage and divert medical interventions from more costly emergent models of care.

Comparing day-time services at these two locations since June 2021, we find that 48% of people attended only H4, 34% attended both the Downtown Mission and H4, while

18% attended only the Downtown Mission. This data demonstrates how providing choice to people allows them to access services that best meet their individual needs.

Currently, there are 187 emergency shelter beds or rooms that provide accommodations for people experiencing homelessness in Windsor and Essex County. Since these beds are almost at full capacity most nights and there has been an increasing number of people experiencing homelessness, including those sleeping outdoors, it is recommended that the number of overnight spaces be increased over the winter months.

**Table 1: Key Data Points, Windsor and Essex County Emergency Shelter System**

<b>Data Point</b>	<b>Jan 1 to Oct 31 2023</b>	<b>Jan 1 to Oct 31 2024</b>	<b>Percentage Change</b>
Number of unique people staying at an emergency shelter	1,632	1,765	8% increase
Average length of stay at an emergency shelter	35 days	50 days	43% increase
Average emergency shelter occupancy rate  (i.e. portion of beds/rooms occupied on any given night)	89%	95%	7% increase

Also, in 2024 there has been an increase in the number of families requiring shelter, resulting in the need to utilize overflow motel rooms. From January 1 to October 31, 2024, there were on average five overflow motel rooms used per night.

The By Names Prioritized List (BNPL) from October 2024 indicates there are 902 households experiencing homelessness in Windsor and Essex County (26% increase compared to October 2023), which includes 282 who indicate they sleep outdoors most of the time (58% increase compared to October 2023).

**Federal Reaching Home Program Funding**

As council will recall in February 2024, Housing, Infrastructure and Communities Canada (HICC) advised the City of Windsor that the federal Reaching Home Incremental Funding (one-time), received from 2021 to present, was expected to decrease beginning in 2024-2026 by \$234,814 (6.7%) and an additional \$2,432,546 (74%) in 2026-2028, which resulted in returning to its pre-pandemic base funding allocation of \$853,851. Subsequently, advocacy from the City of Windsor, OMSSA, AMO, and other municipalities had been completed and on November 14, 2024, Administration received notice from HICC that additional Incremental Funding under the Reaching Home program had been allocated to the City of Windsor starting in the 2024

– 2025 fiscal year and ending on March 31, 2028. This incremental funding represents a temporary increase to the base or annualized funding allocation. More details are provided in the Financial Matters section.

Administration has developed recommended winter initiatives for the 2024 – 2025 winter season that can be funded through additional incremental funding received from HICC under the federal Reaching Home program.

**Discussion:**

Recognizing the growing needs this year for winter shelter capacity, Administration met with the Windsor Essex Community Advisory Board and is recommending restarting some winter initiatives that operated last year and layering one new service, that being temporary overnight warming centre that will include crash mats at the Homelessness and Housing Help Hub (H4). Each of these initiatives can be fully funded by the additional Reaching Home incremental funding for the 2024- 2025 winter season ending March 31, 2025.

**Table 2: Recommended Winter Initiatives for 2024 – 2025**

<b>Initiative Number</b>	<b>Service Provider</b>	<b>Type of Program</b>	<b>Number of Spaces</b>	<b>Hours of Operation*</b>
1	H4	Warming Centre	35	12am to 8am
2	Salvation Army	Warming Centre	12	9pm to 9am
3	Welcome Centre	Warming Centre	17	11pm to 7am
4	Essex County Homelessness Hub	Warming Centre	9	10pm to 8am
5	Various emergency shelters	Urgent repairs and/or capital improvements	-	-

*\*Open 7 days per week and on holidays*

These initiatives will offer at minimum, a total of 73 temporary additional spaces over the winter months. It is important to note that warming centres typically serve more people than the number of spaces available as they allow people to come and go throughout the night.

When each of these initiatives can begin operating this winter is dependent on the next steps required to receive the Reaching Home incremental funding allocation, including:

- Obtaining endorsement from the federally mandated Windsor Essex Community Advisory Board, which was completed on November 22, 2024; and
- Submitting a revised Reaching Home budget and Forecast of Project Expenditures to Housing, Infrastructure and Communities Canada (HICC), which was completed on November 29, 2024; and
- Providing this report to Windsor City Council on December 9, 2024; and
- Entering into a Transfer Payment Agreement (TPA) with HICC, date to be determined; and
- Executing service agreements with the respective local service providers, dates to be determined; and
- Opening of each initiative, dates to be determined and may vary.

Additional information about these initiatives is provided below.

#### **Initiative 1: Warming Centre at H4**

H4 staff conducted an informal survey of 111 current participants in November 2024, of which 89 participants indicated that they typically sleep outdoors. Overwhelmingly, 110 out of 111 individuals surveyed indicated they would prefer to stay overnight at H4, if that option was available. This initiative will take some time to implement as Housing Information Services, which operates H4, will need to hire additional staff and as a result, the tentative start date is January 6, 2025.

#### **Initiatives 2, 3 and 4: Warming Centers at the Salvation Army, Welcome Centre and Essex County Homelessness Hub**

Since these services operated last winter and do not require much ramp-up time or additional staffing, they can begin operating sooner than the other initiatives. These services are likely to all be opened by December 16, 2024, barring any delays with the necessary legal agreements.

#### **Initiative 5: Urgent Repairs and/or Capital Improvements**

One-time funding may be allocated to various emergency shelter providers to allow them to complete eligible urgent repairs and/or capital improvements that will ensure the sustainability of the existing 187 shelter beds in the system as well as the additional warming spaces identified for the winter season. These investments will help mitigate requests for additional municipal funding in the future.

#### **Strengthen the Core Plan**

The recommended winter initiatives also align with the City of Windsor's Strengthen the Core plan as it advances the Healthy Spaces action item which seeks to offer wrap-around support programs for vulnerable community members, utilizing funding from upper levels of government. The various warming centres and additional hours of operation at H4 over the winter months will provide more overnight spaces for those experiencing homelessness, and the costs can be fully covered through the new federal Reaching Home incremental funding for the 2024 – 2025 winter season.

## Response to CQ 19-2024 regarding the Warming Bus

In October 2024, Administration responded to CQ19-2024 and provided a report about the Warming Bus which operated last winter (Council Report S127/2204, Council Resolution CR456/2024), which resulted in a friendly amendment from Council stating, “That Administration BE DIRECTED to approach local philanthropy groups to determine whether any potential funding partnerships can be explored.”

Housing staff engaged with staff in Communications and Customer Services to determine what alternate resources may be available through grants and/or philanthropic sources. Unfortunately to date, Administration has not been able to secure such funding for the 2024 – 2025 winter season.

The Warming Bus initiative was not put forward as part of the recommended winter initiatives for 2024 - 2025 due to the lack of available funding and the other recommended initiatives were deemed to be of higher priority this winter.

### Risk Analysis:

Without temporarily increasing emergency shelter spaces, there is a risk that there will not be enough shelter spaces to meet the needs of people experiencing homelessness in Windsor and Essex County for the 2024 – 2025 winter season. This may result in increased outdoor homelessness and increased risks of exposure to the elements.

### Climate Change Risks

#### Climate Change Mitigation:

N/A

#### Climate Change Adaptation:

N/A

### Financial Matters:

On November 14, 2024, Administration received notice from the federal Housing, Infrastructure and Community Canada (HICC) that additional incremental funding under the Reaching Home program had been allocated to the City of Windsor starting in the 2024 - 2025 fiscal year and ending on March 31, 2028.

Tables 3 and 4 below compares funding from the previous fiscal year (2023-2024) and the allocations for the remaining four years (2024 to 2028) of the program.

**Table 3: Reaching Home Funding Summary (2023 – 2024)**

Fiscal Year	Annualized Funding	Winter Unsheltered	Additional Incremental Funding	Total Reaching Home Funding
2023-2024	\$3,521,211	\$1,111,104	\$0	\$4,632,315

**Table 4: Reaching Home Funding Summary (2024 – 2028)**

Fiscal Year	Annualized Funding	Winter Unsheltered	Additional Incremental Funding	Total Reaching Home Funding
2024-2025	\$3,286,397	\$0	\$818,769	\$4,105,166
2025-2026	\$3,286,397	\$0	\$818,769	\$4,105,166
2026-2027	\$853,851	\$0	\$3,405,454	\$4,259,305
2027-2028	\$853,851	\$0	\$3,405,454	\$4,259,305
<b>Total 4 Yrs</b>	<b>\$8,280,496</b>	<b>\$0</b>	<b>\$8,448,446</b>	<b>\$16,728,942</b>

The costs of the five recommended winter initiatives outlined in this report can be fully funded through the 2024 - 2025 Reaching Home Incremental Funding allocation of \$818,769 of which up to 15% can be used towards project administrative costs.

The recommended winter initiatives for 2024 - 2025 do not require any additional municipal contributions from the City of Windsor.

Further planning and discussion by Administration in consultation with the Community Advisory Board are required to determine how the Reaching Home incremental funding for subsequent years will be allocated and align with the strategies of the *Home Together: 10 Year Housing and Homelessness Master Plan* and federal *Community Plan (2024-2028)*.

**Consultations:**

Jessica Brunet, Coordinator, Housing Administration and Development  
Whitney Kitchen, Coordinator, Housing Administration and Development  
Michael Davis, Financial Planning Administrator  
Tyson Cragg, Executive Director Transit Windsor  
Nicole Anderson, Senior Economic Development Officer

**Conclusion:**

There is a need to temporarily increase the number of emergency shelter spaces in Windsor and Essex County to meet the needs of people experiencing homelessness, particularly during the winter months. Administration has recommended allocating new Reaching Home incremental funding to support five winter initiatives that will support a minimum of 73 additional temporary spaces for the 2024 – 2025 winter season.

### City Council Decision Monday, November 28, 2022

Moved by: Councillor Fred Francis  
Seconded by: Councillor Jo-Anne Gignac

Decision Number: CR501/2022

- I. That City Council **RECEIVE** the Investing in Canada Infrastructure Plan (ICIP) Grant Application report dated November 17, 2022, along with the report from IBI Group titled "Transit Windsor Garage Feasibility Study" dated October 28, 2021 provided in Schedule A; and further,
- II. That City Council **ENDORSE** the Transit Support Projects outlined in the body of this report for inclusion in the ICIP Grant Application; and further,
- III. That the Chief Administrative Officer **BE DIRECTED** to submit applications to the ICIP Grant that includes a list of Transit Support Projects, satisfactory in legal form to the Commissioner of Legal & Legislative Services/City Solicitor, in technical content to the Commissioner of Infrastructure Services/City Engineer and financial content to the Chief Financial Officer/City Treasurer; and further,
- IV. That should the ICIP Grant Application for the Transit Support Projects be successful,
  - a. That City Council **APPROVE**, as per the ICIP Grant requirements, funding to a maximum of \$28,996,630, as follows:
    - i. A PRE-COMMITMENT in the Transit Windsor Fleet Replacement Program (TRN-001-07) of 2025 and 2026 funding of \$1,167,896 and \$3,952,638, respectively.
    - ii. A PRE-COMMITMENT in the Transit Windsor Garage capital project (TRN-001-22) of 2023, 2024, and 2025 funding of \$4,073,574, \$5,701,947, and \$1,024,479, respectively.
    - iii. PLACEHOLDER funding in the Transit Windsor Fleet Replacement Program (TRN-001-07) of 2027 and 2028 funding of \$6,458,059 and \$5,200,000, respectively, and that these funds be automatically PRE-COMMITTED and available for immediate use as funding falls within the five-year funding window.

- iv. PLACEHOLDER funding in the Transit Windsor Garage capital project (TRN-001-22) of 2028 and 2029 funding of \$1,000,000 and \$418,037 respectively, and that these funds be automatically PRE-COMMITTED and available for immediate use as funding falls within the five-year funding window.
  - b. That the Chief Administrative Officer and City Clerk **BE AUTHORIZED** to execute and sign any agreements, declarations or approvals required resulting from receiving grant funding approval for this intake of the ICIP Grant subject to such documents being satisfactory in legal form to the Commissioner of Legal & Legislative Services/City Solicitor, in technical content to the Commissioner of Infrastructure Services/City Engineer and financial content to the Chief Financial Officer/City Treasurer; and further,
  - c. That the Chief Administrative Officer **BE AUTHORIZED** to delegate signing of all claims, progress reports and applicable schedules and other such documents as may be required as part of the request for payment to the Commissioner of Infrastructure Services/City Engineer or designate, subject to financial content approval from the area's Financial Planning Administrator or their manager; and further,
  - d. That Council **PRE-APPROVE** and **AWARD** any procurement(s) necessary that are related to the above project(s), provided that the procurement(s) are within approved budget amounts, pursuant to the Purchasing By-Law 93-2012 and amendments thereto; satisfactory in financial content to Commissioner, Corporate Services/Chief Financial Officer, in legal form to the Commissioner, Legal & Legislative Services; and in technical content to the Executive Director of Engineering; and further,
- V. That the Purchasing Manager **BE AUTHORIZED** to issue Purchase Orders as may be required to effect the recommendations noted above, pursuant to the Purchasing By-Law 93-2012 and amendments thereto, subject to all specifications being satisfactory in financial content to the Chief Financial Officer/City Treasurer, and in technical content to the Commissioner of Infrastructure Services/City Engineer; and further,
- VI. That Administration **BE AUTHORIZED** to take any other steps as may be required to bring effect to these resolutions, and that the Chief Administrative

Officer and City Clerk **BE AUTHORIZED** to execute any required documentation/agreement(s) for that purpose, subject to legal approval by the Commissioner of Legal & Legislative Services/City Solicitor, financial approval by the Chief Financial Officer/City Treasurer, and technical approval by the Commissioner of Infrastructure Services/City Engineer; and further,

- VII. That City Council **AUTHORIZE** the Commissioner of Legal & Legislative Services/City Solicitor to prepare the required bylaws, if required by the grant provider, in order to execute agreements as part of receiving funding, conditional upon the recommendation of the Chief Financial Officer/City Treasurer; and further,
- VIII. That given the dramatically higher cost estimate for the Transit Garage emanating from the detailed study recently completed by the IBI Group, City Council **DIRECT** Administration to re-evaluate the Transit Windsor Master Plan to determine how to best achieve the goals of the Master Plan and report back to Council as part of the Transit Master Plan Implementation Project update.

Carried.

At the request of Councillor Fred Francis, a recorded vote is taken on this matter.

Aye votes: Mayor Drew Dilkens and Councillors Fred Francis, Renaldo Agostino, Mark McKenzie, Ed Sleiman, Jo-Anne Gignac, Angelo Marignani, Gary Kaschak, and Jim Morrison.

Nay votes: Councillors Fabio Costante and Kieran McKenzie.

Abstain: None.

Absent: None.

Chair - Walkerville Business Improvement Association (BIA)  
Windsor, ON  
December 6, 2024

**Windsor City Council**

Windsor, ON

Dear Members of Windsor City Council,

**Subject: Response to Audit Findings Regarding Walkerville BIA Reserve Funds**

I am writing on behalf of the Walkerville Business Improvement Association (BIA) regarding the recent audit findings that suggest our reserves are higher than recommended levels. While we understand these concerns, we wish to emphasize our commitment to using these funds strategically to best serve the needs of our neighborhood and business community.

**Strategic Plan Initiative**

The Walkerville BIA is actively developing a comprehensive strategic plan that ensures the responsible allocation of reserve funds. Our initiative focuses on preparing a detailed plan that aligns with the unique needs of our neighborhood and delivers meaningful outcomes for the businesses we represent.

**Key Objectives of the Initiative Include:**

1. **Strategic Plan Completion:** The strategic plan will be completed in the coming months, following thorough consultations with stakeholders and careful consideration of the neighborhood's priorities.
2. **Goal-Oriented Fund Allocation:** By the end of the year, all reserve funds will be allocated to specific, achievable goals that are designed to enhance the community's infrastructure, support local businesses, and promote economic growth.
3. **Avoiding Wasteful Spending:** Every dollar will be directed toward projects and initiatives that provide long-term value to the Walkerville community, ensuring fiscal responsibility remains at the forefront.

**Request for Support and Collaboration**

The reserve funds represent an invaluable resource for advancing our shared vision for Walkerville. We kindly request the City's support and patience as we finalize our strategic plan and allocate these funds thoughtfully. By collaborating with Council, we aim to ensure that Walkerville continues to thrive as a vibrant and dynamic district.

Thank you for your attention to this matter. We are committed to achieving these goals and welcome the opportunity to discuss our plans further.

Yours sincerely,

Mike Bates  
Walkerville Business Improvement Association
