Subject: File Numbers Z-019/24 [ZNG/7215]

Hi there,

I'm the owner of _____ and just wanted to voice my support for the zoning by-law amendment proposed in the file number listed in the subject. I just received the mailout today about the changes, and it wasn't clear to me how to just submit simple written feedback. I don't need to attend the meeting but wanted to mention I'm in favour of the changes.

Thank you!

Ian.
