Subject: Amendment to heritage designation for Roseland Golf Course

To whom it may concern:

I would like to say that this action done mostly with in camera meetings and moving curling to SW arena and now building luxury condos at Roseland Golf Course is an absolute farce and has been in secret and should not be allowed to come to fruition.

It leaves me wondering who is really driving and benefitting from this process and outcome. Certainly, not the residents in the area, the curlers or those who respect heritage designations. All involved should be ashamed.

Clerks office

Please add my recommendation to deny the proposed heritage designation bylaw amendment as presented in Report S 161/2024. Public heritage sites should remain community assets. South Windsor has grown exponentially and seriously lacks community centres. Revitalizing the club house will greatly enhance the community that has been recently forced to rezone to high density. Please don't deny us this public space as well.

Gentlemen,

On Monday January 6, 2025 the Development and Heritage Standing Committee will be dealing with a Heritage Designation Amendment By-Law regarding Roseland Golf Course in the City of Windsor. Regretfully I am out of town and will not be able to attend.

The effect of the proposed amendment is to SEVER and REMOVE the Heritage designation from approximately 10 ACRES of land from the property known as Roseland Golf Course.

I was a member of Windsor City Council in 2003 when council deemed it desirable to designate Roseland Golf Course, 455 Kennedy Dr. West to be of architectural and /or historic value and interest.

City Council in 2003 strongly believed that this parcel of land known as Roseland Golf Course "possesses unique character ". (Heritage Act) and it was important "to ensure that this character is preserved". The intent of council was to protect this property from any redevelopment other than a golf course.

The proposed amendment is to remove the designation from an area (10 ACRES) equivalent in size to 7.5 football fields. This is SIGNIFICANT. Not only does this negatively impact the character of Roseland Golf course but also opens the door to further redevelopment on the Roseland property and potentially other Heritage designated sites.

I urge you NOT to set this precedent. Please deny the recommendation of a proposed heritage designation by-law amendment as presented in Report s161/2024.

Thank you for your consideration.
