

Join us on a historical ride around our very own Peche Island. Guests get to sit back, relax, and take in the spectacular sights as our tour boat captain and interpretive guide lead you on your journey of one of Windsor's hidden gems.

You will learn the cultural history of the island from Indigenous oral traditions to how it became a City of Windsor Park. Guests will experience Peche Island's unique and protected natural heritage firsthand.

Note: This tour stops on the island for guests to have an opportunity to explore the natural environment during a 2-kilometre walk along a rustic trail.
