## ZONING BY-LAW AMENDMENT PROCESS

---

The application will be terminated without notice after 60 days of inactivity. The following is for your information only. Review the Planning Act and relevant regulations for statutory requirements. The processing of the application is subject to change. Direct all questions to the assigned Planner. The process is generally as follows:

1. The application is reviewed to ensure all prescribed and required information and the fee have been submitted. Within 30 days of the receipt of the application, you will be notified in writing that the application is deemed incomplete or complete.
2. If deemed incomplete, the application and fee will be returned. If deemed complete, fees are not refundable, the application is circulated to departments and external agencies for review and comment, and all submitted documents are made available to the public.
3. Following circulation, a draft staff report containing a recommendation and any conditions is prepared. The City Planner and other staff review the draft staff report.
4. When the staff report is approved by appropriate municipal staff, it will be scheduled for a future meeting of the Development and Heritage Standing Committee (DHSC).
5. The DHSC meeting is the public meeting required by the Planning Act. Public notice of the DHSC meeting is advertised in the Windsor Star, a local newspaper, at least 20 days in advance of the DHSC meeting. A courtesy notice may be mailed to property owners and/or tenants within 120 metres or more of the subject land.
6. 10 days prior to the DHSC meeting, the staff report is circulated to the applicant and DHSC members and made available to the public. All supporting documentation submitted by the applicant is available for review.
7. At the DHSC meeting, a staff planner may make a presentation. The applicant and other parties have an opportunity to provide verbal and/or written submissions. The DHSC may ask questions of staff, the applicant, agent, and other parties. The DHSC may decide to defer or recommend approval or denial of the application.
8. If deferred, the application along with any additional information or a new staff report will be considered at a future DHSC meeting. If recommended for approval or denial, the staff report, the minutes of the DHSC meeting, and the amending by-law are forwarded to City of Windsor Council for consideration at a future date. The applicant, agent and all interested parties will be notified by Council Services of the date, time, and location of the Council meeting. 9. The application may be placed on the Consent Agenda of the Council Meeting, a part of the meeting where Council approves several matters with a single motion. If the application is not on the Consent Agenda, the staff planner may introduce the application, review the staff recommendation and any additional information provided to Council, and advise Council of any differences between the staff and DHSC recommendations. The applicant and other interested parties have an opportunity to make verbal and/or written submissions. Council may decide to approve, deny, or defer the application. If Council approves the application, the amending by-law may be approved at the same Council meeting, otherwise it will be approved at a future Council meeting.
10. When the amending by-law is passed, Council Services will mail a notice of the passing of the amending by-law to property owners and various public agencies within 15 days. There is a 20-day appeal period commencing the day after this notice is given. The notice will include the last day to file an appeal. An appeal is made to the Ontario Land Tribunal (OLT) through Council Services. If no appeal is filed, the amending by-law is final and binding as of the date of Council's passing of the by-law. I hereby acknowledge that it is my responsibility to ensure that I am in compliance with all applicable laws, regulations, guidelines and the City's Official Plan policies pertaining to potentially contaminated sites, and to use all reasonable effort to identify the potential for contamination on the subject property.

I acknowledge that as a condition of approval of this application that the City may require me to file a Record of Site Condition signed by a qualified person in the provincial Environmental Site Registry, and provide verification to the City of Windsor of acknowledgement of this Record of Site Condition by the Ministry of Environment.

I acknowledge that the City may require the qualified person signing the Record of Site Condition to submit to the City a Declaration acknowledging that the City of Windsor may rely on the statements in the Record of Site Condition.

I acknowledge that the City of Windsor is not responsible for the identification and/or remediation of contaminated sites, and I agree, whether in, through, or as a result of any action or proceeding for environmental clean-up of any damage or otherwise, I will not sue or make claim whatsoever against the City of Windsor, its officers, officials, employees or agents for or in respect of any loss, damage, injury or costs.
