SPECIES AT RISK ACKNOWLEDGEMENT

Ontario's *Endangered Species Act* protects endangered and threatened species — animals and plants in decline and at risk of disappearing from the province by restricting activities that may affect these plants, animals or their habitats.

I acknowledged that it is my sole responsibility as the Applicant to comply with the provisions of the *Endangered Species Act, 2007, S. O. c.6*. This could require me to register an activity, get a permit or other authorization from the Ministry of Natural Resources and Forestry (MNRF) prior to conducting an activity that could impact an endangered or threatened plant or animal or its habitat. I further acknowledge that any *Planning Act, R.S.O. 1990, c.P.13* approval given by the City of Windsor does not constitute an approval under the *Endangered Species Act*, nor does it absolve me from seeking the necessary authorization, approvals or permits from the MNRF prior to conducting any activity that may affect endangered or threatened plant or animal or its habitat. Additional information can be found at the following website <https://www.ontario.ca/page/development-and-infrastructure-projects-and-endangered-or-threatened-species> or by contacting MNRF at the following:
