## What's Happening at M.D. Bennie Early On,

This month our focus at MD Bennie is early math and literacy skills. It's incredible how quickly the skills for early math and reading start emerging. This month through our activities we will showcase what early math and reading skills can look like.

A quick and fun activity you can try while you are out in the community is asking your child about different signs – children will often know what the logos are for places they are familiar with or see over and over. This could be something like the McDonalds logo or that a stop sign says stop. This skill is called environmental sight reading and is a precursor to developing their literacy skills later on.

## Notes:

Please remember to keep phones tucked away. We strongly encourage engagement with your child(ren) while at our Centre. You are your child's first teacher.

Feel free to take photos of your child(ren), but please do not include other children in your pictures without their parent's consent.

We provide a nutritious snack. We appreciate your assistance in the encouragement of trying new foods from what the child is used to. Do however, inform us of any allergies and dietary needs. Snack is to be consumed only at the snack tables.

Dress for a mess and indoor shoes, particularly for gym time is recommended.

## Notes:

St. Pius EarlyON Centre is **open and available** when our **Sandwich Boards** are visible outside.
