

FOR OUR 150th ANNIVERSARY

You're the top!
You're our lakes and rivers
You're the top!
You're our gen'rous givers
You're the people of this land
of Canada
You are excellence and
common sense
You're liberty!

You're the top!
You are working people
You're the top!
Like a church's steeple
You're a caring heart
that cares for everyone

Like United Way
we can say
that's brotherhood!

You're the top!
You are proud and humble
You're the top!
Even when you stumble
You just get up and try and
try again.
Building unity with diversity.
Canada!
