

CABANA CORRIDOR IMPROVEMENTS PHASES 3 & 4 **ROAD CLOSURE APPROACH**

Curry Avenue

- 2005 Environmental Assessment recommended a possible road closure or one-way access at Cabana Road
- This recommendation was not supported in the detailed design processes for the following reasons:
 1. Non-compliance issues anticipated including shortcutting through church parking lot
 2. Impacts to traffic movements for St. Gabriel School
 3. Would result in a significant increase in traffic on Dominion Boulevard
