

September 19, 2018

To Property Owner / Resident:

**RE: SURFACE ASPHALT  
MALDEN ROAD**

---

Final paving of Malden Road from Continental Avenue to the City limits will take place starting September 20, 2018, weather permitting. "No Parking" signs will be posted the night prior to paving.

**PLEASE REMOVE YOUR VEHICLE FROM THE ROAD BY 7:00 A.M. THE MORNING AFTER  
SIGNS ARE POSTED SO THAT WORK CAN START.**

Northbound Malden Road will be closed to traffic during paving operations. Access to driveways will be limited during this work and will not be available during the brief period of time that work is taking place directly in front of your driveway.

Please be aware that a surface treatment is used prior to paving that would likely be carried by your car tires onto your driveway if you choose to drive through the area during this work. It is recommended that you avoid using the road during paving operations.

We regret any inconvenience this has caused. Should you have any questions regarding this matter, please contact our Mr. Wade Bondy, Contracts Coordinator at 519-255-6560, extension 4234.

Sincerely,

P. Nguy  
Manager of Contracts, Field Services & Maintenance
