INDOOR/OUTDOOR POOLS ADMISSION POLICY

The information below is in effect at all City of Windsor indoor and outdoor pools during Recreational, Pre-school/Tot, and Family Swims. Changes as a result of the revisions to the Ontario Health Regulations will be posted at all pools.

Ages 9 and Under

Participants 9 years of age and under are required to have supervision at all times when visiting our aquatic facilities. Swimmers must be directly supervised in the water at all times by a responsible person 13 years of age or older unless they pass a swim test. The supervising (responsible) person must be able to touch the pool bottom.

At the time of admission, these participants will receive a **red wristband**. Once on the pool deck swimmers aged 9 and under may take a **swim test consisting of a 20-metre swim (or the width of the pool) without touching the bottom followed by the ability to demonstrate treading water for 30 seconds**. The swim test will be provided by the Pool Coordinator on duty. If successful, they will receive a **green wristband** and may swim in deep water. They must still be supervised in the facility.

Green Wristband

Supervision Ratio (Swim test completed):

1:4 (No Lifejacket/PFD)

Red Wristband

Supervision Ratio (Swim test not attempted or not successfully completed/passed):

1: 2 (No Lifejacket/PFD + must remain within arms' reach)

1:4 (With Lifejacket/PFD + must remain within arms' reach)

We strongly recommend that anyone 10 or 11 years old have a supervising (responsible) person with them at all times.

Admission policy at Adventure Bay differs from the indoor/outdoor pools due to regulatory requirements and the nature of the different park attractions. For information regarding the policy, please visit www.adventurebay.ca.
