The Public Drop-Off will resume normal operations and acceptance of waste (e.g., couches, construction material, electronics, etc.). ENFORCED COVID-19 PROTOCOLS

- All sites are staffed by 'essential service' workforce so, **strict adherence to COVID protocols will be maintained for the safety of our workers.**
- Only residents who require service **beyond their normal curbside collection** should come to these sites as **excessive traffic and long 'wait times' are expected.**
- Site may close early due to excessive volumes of traffic.
- **DEBIT/CREDIT Only** - sites are cash-free. A vehicle without debit/credit will be turned away.

Garden Gold Voucher Clarification / Enviro Tips

- The EWSWA newsletter Enviro Tips was published with a 'Garden Gold Voucher' which stipulated CASH ONLY. However, due to COVID-19 protocol we do **NOT** accept cash at the depots. Therefore, **residents will have to pay for the compost with DEBIT/CREDIT only.**
