

Fall Tree Thumbprints

WHAT YOU WILL NEED:

- Paper or cardstock
- Small sticks found outside
- Fall coloured paint
- Tape

WHAT TO DO NEXT:

1. Collect several small sticks from your yard or on a walk.
2. Arrange the sticks on a piece of paper to resemble a tree trunk. Secure the sticks with the tape.
3. Dip your thumb or the tip of your finger into the paint.
4. Dab your painted finger onto the paper to create a fall design.
5. Let nature guide your creativity.
