## W.E. EARLYON STAYING CONNECTED

## **Ice Block Construction**

## WHAT YOU WILL NEED:

- Medium size plastic container
- Water
- Items found in nature (flowers, sticks, twigs)
- Toy tools (hammer, magnifying glass, binoculars, drill)
- Baking tray

## WHAT TO DO NEXT:

- 1. Fill the container with water and place the nature items into the water.
- **2.** Place the container in the freezer for several hours or overnight.
- **3.** Once the water is frozen, take the container out of the freezer.
- **4.** Remove the ice block from the container and place it on a baking sheet.
- 5. Grab your binoculars and/or magnifying glass and begin to explore.
- 6. Now it is time to grab the toy tools and start digging out your treasures!
- **7.** This is a great outdoor activity.
- 8. Have fun exploring and experimenting!
