

## Maple Key Dragonflies

### WHAT YOU WILL NEED:

- Maple keys
- Small sticks
- Watercolour paint
- Cup of water
- Glue
- Paint brush

### WHAT TO DO NEXT:

1. Go for a walk and collect some maple keys and small sticks.
2. Paint the maple keys using the watercolour paint.
3. Let dry.
4. Glue the maple keys together, one under the other (shown below).
5. Glue a stick down the centre of the maple keys and leave to dry.
