Sand Play

WHAT YOU WILL NEED:

- Sand
- Natural items (beach stones, shells, sticks, etc.)
- Household items of choice (kitchen utensils, small cups, etc.)

WHAT TO DO NEXT:

1. Look around the house with your child to gather any household items that you could use in the sand.
2. Visit the beach or find some sand to do this activity at home.
3. Walk along the beach with your child and gather natural items such as sticks, stones, and shells.
4. Use the items that you have collected to design prints in the sand, write letters and numbers, or draw pictures.
5. What will you create together? The possibilities are endless!
