Literacy Corner

Catch and Read

Our reading tip on social media this week is to *learn to read while playing catch!* Write big letters or words all over a beach ball. You can include silly words too, to add to the fun! Play catch and help children sound out the letters or words that their hands land on when they catch the ball. To add movement to this activity, write action words on your beach ball, for example *jump*, and complete the actions together! Follow us for more reading tips @weearlyon.
