Literacy Corner

Pumpkin Patch

A visit to the local pumpkin patch can promote early literacy, physical literacy, and provide children with plenty of learning opportunities. Together, you can explore the pumpkin patch as you learn about pumpkins and see how they grow on vines. You can talk about their shapes, sizes, weight, and colours. You can strengthen fine motor skills by decorating your pumpkins or scooping out the seeds. You can even practice reading by following a pumpkin recipe. What is your favourite pumpkin activity? Share it with us at earlyon@citywindsor.ca for a chance to win a fun fall prize!
