FEATURED ACTIVITY: Tie Dye Easter Eggs

WHAT YOU NEED:

- White hard-boiled eggs
- Paper towels
- Food colouring
- Spray bottle with water
- Twist ties or small elastic
- Glass dish or baking sheet
- Disposable glove (optional)

WHAT TO DO NEXT:

1. Cover a hard boiled egg in a paper towel.
2. Twist the ends tight, and tie with a twist tie or elastic.
3. Hold the egg in your hand (with a disposable glove), and squeeze drops of food colouring on the paper towel covered egg.
4. Spray the middle of each colour with your spray bottle. Spray until the paper towel is completely coloured. You only need a little bit of water!
5. Gently squeeze the egg over the sink to transfer the colours onto the egg. Gloves help keep your hands clean.
6. Set the eggs in a glass dish or on a baking sheet to dry overnight.
7. Once dry, remove the egg from the paper towel.
8. Wow! Look at the colour and designs from the paper towel!

Alphabet Hunt

Try taking the *colour hunt* a step further by filling your plastic eggs with the letters of the alphabet! Hide the eggs indoor or outdoor, and go on a hunt to see if you can find all 26 eggs. Once you have collected all the eggs, try identifying the letters inside, practice the letter sounds, match them to an alphabet mat, or write something that begins with each letter.
