Physical Literacy:
Shape Game

Literacy Corner

The EarlyON Bookshelf

There are many books about shapes! One of our favourites is *Bear in a Square*, a Barefoot French & English bilingual book by Stella Blackstone and Debbie Harter. In this book, you can find and count shapes of different colours in both languages! Extend your child's learning by playing a bilingual shape hunt game of your own. You might also enjoy playing the physical literacy shape game in our video above!
