Gratitude Journal

April 22nd was Earth Day! We hope that you will spend some time outdoors and enjoy a beautiful nature walk. What will you see while you are out exploring - flowers, sunshine, animals? Talk about what you are grateful for and then draw, paint, write, or glue the items in a gratitude journal. It feels good to reflect on the things that we appreciate! Extend the learning by talking about the importance of recycling, reducing waste, minimizing pollution, and conserving natural resources to help improve our environment.
