## Physical Literacy: Walk Around

### Literacy Corner

### EarlyON Bookshelf

The book *The Dot* by Peter H. Reynolds is an inspiring story about a teacher who proves to her student that she is an artist. The student is surprised when her drawing of a simple dot becomes a work of art, which motivates her to create and experiment some more!

Have you and your child attended our EarlyON Zooming Artists virtual program? We encourage children to explore, create, and most importantly, have fun while learning! Register for our next Zoom class on July 3<sup>rd</sup> at 9:30am. Hope to see you there!
