## Mindful Movement:

April Showers Bring  
May Flowers

## Literacy Corner

## Narrate Outdoor Adventures

While out for a walk with children, describe the events around you as they happen. Talk about the things you see, the textures you touch, the sounds you hear, and the aromas you smell. Even if children are really young and not yet speaking, they will hear new words and enjoy listening to your stories.

Connecting families in Windsor-Essex by providing engaging activities. Please visit [Children's Services, W.E. EarlyON to You: Online and Pre-Recorded Activities Page](#) for great ideas and activities to do with your children. Check back regularly for updates!

Stay tuned on social media for giveaways and messages from machine operators!
