Chief Administrative Officer
The City of Windsor
350 City Hall Square
Windsor, ON N9A 6S1

Dear Ms. Reidel

Re: Notice of Cessation of Fluoridation of the City of Windsor Water Supply

At its special meeting of January 28, 2013, Windsor City Council adopted the recommendation by the Windsor Utilities Commission (W.U.C.) to cease fluoridation of the City of Windsor water supply. As an outcome of that resolution EnWin Utilities Ltd., acting on behalf of WUC, made application to the Ministry of the Environment (MOE) to make the necessary amendments to the Municipal Drinking Water Licence for the City of Windsor removing the requirement for the addition of fluoridating chemicals.

Please be advised that on March 25, 2013 EnWin Utilities Ltd., received an amended licence from the MOE removing the requirement to fluoridate the Windsor water supply. Upon receipt of the amended licence, EnWin operating staff subsequently ceased the addition of fluoride to the water supply.

Should you have any questions or concerns regarding this matter, please do not hesitate to contact me at your earliest convenience.

Sincerely,

A handwritten signature in cursive script, likely belonging to John R. Wladarski.
